With reference to the letters of His Excellency the Netherlands Minister, No. 745 of December 20, 1922, and No. 279 of April 2, 1923, and in continuation of letter s. c. No. 3775 of October 5, 1920, addressed by the Royal Ministry to His Excellency M. Advocaat, Netherlands Minister at Belgrade, the Royal Ministry has the honour to inform the Netherlands Legation that the Royal Government of the Serbs, Croats and Slovenes also recognises that the Berne International Convention of October 14, 1890, as well as the subsequent Agreements, remain in force as between the Netherlands and the Kingdom of the Serbs, Croats and Slovenes, with the reservation that the said Convention may be denounced by either party any year with three months' notice.

However, as since the late war certain changes have been brought about in transport relations between the States signatory to the Convention, this Convention shall be applied with the modifications provided for in reciprocal Agreements concluded by the two Contracting Parties.

Belgrade, June 15, 1923.
