Sir,

By my note No. 599 of March 3rd, 1919, I had the honour to inform you of the decision arrived at by the Greek Government to denounce from March 3rd, 1919, all commercial agreements with the British Empire mentioned in my note No. 1640 of May 2nd, 1919, and that pending the conclusion of a new commercial agreement it was the intention of the Greek Government that, failing three months’ notice, those instruments should be tacitly renewed for successive periods of three months.

In reply you were good enough to state by your note No. 81499/C/119 of June 11th, 1919, that His Majesty’s Government had taken note of the intimation conveyed in my aforesaid Note and that they concurred in the proposal of the Greek Government concerning the tacit renewal of the commercial agreements.

I am now instructed by my Government to bring to your knowledge that the Greek Government have decided to terminate the tacit renewal of the commercial instruments in question and to denounce definitely all the above-mentioned commercial agreements which will cease to be in force as from December 10th, 1924.

I have the honour to add that the Greek Government are willing to start at once negotiations with a view to concluding a new Treaty of Commerce and Navigation, and that in these negotiations they will be guided by the sincere desire to arrive at a satisfactory end for both countries.

No 2516.

Monsieur le Ministre,

Par ma note No 599, en date du 3 mars 1919, j’ai eu l’honneur de porter à votre connaissance la décision prise par le Gouvernement hellénique de dénoncer, à partir du 3 mars 1919, tous les accords commerciaux conclus avec l’Empire Britannique mentionnés dans ma note No 1640, en date du 2 mai 1919. J’ajoutais qu’en attendant la conclusion d’un nouvel accord commercial, le Gouvernement hellénique désirait que, sous réserve d’un préavis de trois mois, la validité de ces accords fût tacitement prorogée pour des périodes successives de trois mois.

En réponse à cette communication, vous avez bien voulu déclarer, par votre note No 81499/C/119, en date du 11 juin 1919, que le Gouvernement de Sa Majesté avait pris acte de la notification rappelée ci-dessus, et qu’il accédait à la proposition du Gouvernement hellénique relative à la prorogation tacite des accords commerciaux.

D’ordre de mon Gouvernement, j’ai l’honneur de vous informer que le Gouvernement hellénique a maintenant décidé de mettre fin à la prorogation tacite des conventions commerciales en question, et de dénoncer définitivement tous les accords commerciaux mentionnés ci-dessus, lesquels cesseront d’être en vigueur à partir du 10 décembre 1924.

J’ai l’honneur d’ajouter que le Gouvernement hellénique est disposé à engager immédiatement des pourparlers en vue de conclure un nouveau Traité de Commerce et de Navigation, et qu’il s’inspirera, dans ces négociations, du désir sincère de parvenir à une solution satisfaisante pour les deux pays.
