NORWEGIAN LEGATION.

I Annex.

YER Excellency,

I am instructed by my Government to request you to inform me whether the French Government is prepared to conclude with the Norwegian Government an arrangement, in conformity with the annexed draft, regarding the reciprocal exchange of information in respect of Norwegian persons of unsound mind admitted to French asylums and of French persons of unsound mind admitted to Norwegian asylums.

Should the French Government view this proposal with favour, the Norwegian Government will regard the arrangement as concluded on receipt of an assurance of reciprocity on the part of the French Government.

I have the honour to be, etc.

To His Excellency,
M. POINCARE,
Prime Minister,
Minister for Foreign Affairs,
eetc., etc., etc.

DRAFT ARRANGEMENT.

Article 1.

Whenever a French subject is confined in a lunatic asylum in Norway or is released therefrom or dies, the French Legation at Christiania shall be informed.

Article 2.

In the notifications provided for under Article 1 mention shall be made of the name of the lunatic asylum where the patient is confined, and they shall, if possible, contain the following information as detailed as possible regarding the patient:

1. Names and surname;
2. Date and place of birth;
3. Trade or profession;
4. Place of residence at the time when the confinement in the lunatic asylum took place;
5. The patient's last place of residence in his native country;
6. Name and surname, etc., of the father and mother, or, if these are dead, the names and surnames of the nearest relatives with information as to their domicile;
7. If the patient is married, name and surname of the husband or wife, and the indication of his or her domicile;
8. The date at which the patient was confined in the institution, or on which he left it, or on which he died;
9. The name of the person at whose request the patient was confined in the institution;
10. If the patient was admitted on a medical report, the date of this report and the name and residence of the doctor;
11. The condition of the patient and whether his state allows of his repatriation, and also an indication of the number of attendants required in order to take care of the patient during the journey.

Article 3.

In all cases where the Norwegian Government demands the repatriation of a French subject suffering from mental disease, the request shall be accompanied by a notification containing the information referred to under Article 2.

Article 4.

When a French subject suffering from mental disease is repatriated to France, the medical record of the patient, which is kept in the lunatic asylum, shall be communicated to the French competent authorities.
FRENCH REPUBLIC,  
MINISTRY FOR FOREIGN AFFAIRS.  

I Annex.  

PARIS, September 28, 1923.  

SIR,  

I have the honour to inform you that the French Government is prepared to conclude with the Norwegian Government an agreement regarding persons of unsound mind on the basis of the draft which accompanied your letter of March 14 last.  

I enclose herewith this draft arrangement, the wording of which has been slightly modified. Should the Norwegian Government approve of the draft, it will be sufficient for you to notify me of the fact for the arrangement to be regarded as concluded and for it to come into force on the date of November 1, 1923, indicated therein.  

I have the honour to be, etc.
