No. 1357. — Exchange of Notes Between the Danish and Czechoslovak Governments Constituting an Arrangement with Regard to the Exchange of Persons Studying Agriculture. Prague, June 2, 1924.

French official text communicated by the Danish Minister at Berne. The registration of this Exchange of Notes took place November 6, 1926.

Your Excellency,

With a view to favouring the exchange of persons studying agriculture between Denmark and the Czechoslovak Republic, pursuant to an agreement between the “Zemědělská Jednota”, of the one part, and the Danish Society “Dansk Landsøkonomisk Rejsebureau”, of the other part, to the effect that the persons concerned shall take part in any work which may be forthcoming and shall receive in return board and lodging, the Danish Government concludes with the Czechoslovak Government the following Arrangement as to the conditions in which the respective visas shall be granted to such persons:

The Czechoslovak Legation at Copenhagen shall, on the recommendation of the “Dansk Landsøkonomisk Rejsebureau” at Copenhagen, grant to the Danish nationals concerned free of charge a visa for six months, at the end of which period the visa may be renewed free of charge for another six months. Further prolongation will only be accorded in exceptional circumstances.

The Czechoslovak visa shall entitle the holder to cross the frontier of the Czechoslovak Republic once and remain in Czechoslovak territory as long as the visa is valid (provided, of course, holders do not transgress police regulations); furthermore, holders of the Czechoslovak visa shall not be required to obtain special permit to leave Czechoslovak territory.

I have the honour to be, etc.

(Signed) Girsa.

To His Excellency
M. Niels Johan Wulfsberg Høst,
Danish Minister at
Prague.
