YOUR EXCELLENCY,

(b) That the expenses incurred by Italy in connection with the delimitation of the Hungarian frontiers amount to 10,186.80 lire (paper);
(c) That the expenses incurred by Italy for the repatriation of prisoners of war and of interned civilians amount to 2,494,012.45 lire (gold);

Should, on the contrary, the Commission decide that these provisions are not applicable to the said expenses, the Royal Hungarian Government shall repay the sums in question to the Royal Italian Government after consultation with the latter as to the rate of exchange ("valuta") and the manner of payment.
