DEPARTMENT.
(I.31/I.)

CAIRO, June 6, 1928.

YOUR EXCELLENCY,

I have the honour to refer to the correspondence between His Excellency the High Commissioner of His Britannic Majesty in Egypt and this Ministry, with regard to the wish expressed by Your Excellency for a commercial agreement between Egypt and Palestine based on the most-favoured-nation clause.

In reply, I beg to inform Your Excellency that the Egyptian Government, owing to the contemplated reform of its Customs system in the near future, would prefer for the moment the conclusion with Palestine of a provisional commercial agreement which either Party could denounce at three months' notice.

The Egyptian Government therefore agrees, on the basis of complete reciprocity, to grant most-favoured-nation treatment to products of the soil and of industry originating in Palestine and imported into Egyptian territory for consumption, re-exportation or transit. Such treatment shall also apply to Palestine tobaccos imported into Egypt, which shall be given the benefit of the differential tariff, provided always that they are entirely grown in Palestine. On the other hand it is understood that the treatment granted by the Egyptian Government to Sudanese products, and that granted by the Palestine Government to Syrian products are excluded from the present Agreement.

This provisional agreement shall not come into force until it has been approved by the Egyptian Parliament, and it may be denounced by either of the Contracting Parties at three months' notice.

I beg your Excellency to confirm your consent to the agreement on the terms cited, and have the honour, etc.

Wacyf Boutros Ghali,
Minister for Foreign Affairs.

His Excellency
The High Commissioner of
His Britannic Majesty in Palestine,
Jerusalem.
