Article premier.

Il est institué un service régulier pour l'échange des mandats-poste entre Ceylan, d'une part, et les Indes Néerlandaises, d'autre part.

Article II.

Le service de mandats-poste institué entre les Administrations contractantes s'effectuera exclusivement par l'intermédiaire de bureaux d'échange. Pour Ceylan, le bureau d'échange sera celui de Colombo et, pour les Indes néerlandaises, le bureau central des postes de Bandoeng.

Article III.

Chacune des deux Administrations contractantes aura le droit de fixer, de temps à autre, le taux de conversion applicable aux mandats-poste émis par elle, à condition de notifier ce taux à l'autre administration.

Article IV.

Chacune des Administrations contractantes aura le droit de fixer, d'accord avec l'autre, le montant maximum des mandats-poste qu'elle émettra. Le montant maximum d'un mandat-poste payable à Ceylan ne dépassera pas six cents (600) roupies ou l'équivalent le plus rapproché de cette

or the nearest practical equivalent of that sum in the money of the country of issue, and the maximum amount for which a Money Order may be drawn upon the Netherlands Indies shall not exceed 480 guilders or the nearest practical equivalent of that sum in the money of the country of issue.

Article V.

Each of the contracting Administrations shall have the power to fix, from time to time, the rates of commission to be charged on Money Orders which it may issue, provided that it shall communicate to the other its tariff of charges or rates of commission established under the present Agreement. The commission shall belong to the issuing Administration; but the Ceylon Post Office shall allow to the Post Office of the Netherlands Indies one half of one per cent (½ per cent) on the amount of Money Orders issued in Ceylon and paid in the Netherlands Indies, and the Post Office of the Netherlands Indies shall make a similar allowance to the Ceylon Post Office for Money Orders issued in the Netherlands Indies and paid in Ceylon.

Article VI.

In the payment of Money Orders no account shall be taken of any fraction of a cent.

Article VII.

Every applicant for a Money Order shall be required to furnish, if possible, the full surname and Christian or personal name (or at least the initial of one Christian or personal name) both of the remitter and of the payee, or the name of the Firm or Company who are the remitters or payees, and the address of the remitter and of the payee. If, however, a Christian or personal name or initial cannot be given, an Order may nevertheless be issued at the remitter's risk.

Article VIII.

If a Money Order miscarries or is lost, a duplicate shall be granted on a written application from the payee (containing the necessary particulars) to the Chief Money Order Office of the Country in which the original order was payable, and, unless there be reason to believe that the original Order was lost in transmission through the post, the Office issuing the duplicate shall be entitled to charge the same fee as would be chargeable under its own internal arrangements.

On receipt from the remitter of an application containing similar particulars, instructions shall be given to stop payment of a Money Order.

Article IX.

When it is desired that an error in the name of a payee shall be corrected, or that the amount of a Money Order shall be repaid to the remitter, application must be made by the remitter to the Chief Office of the country in which the order was issued.

Article X.

Repayment of a Money Order shall not, in any case, be made until it has been ascertained, through the Chief Office of the country in which such order is payable, that the Order has not been paid, and that the said Office authorises the repayment.
Article XI.

A Money Order shall remain payable for twelve months after the expiration of the month of issue, and the amount of every Order not paid within that period shall be returned to the Administration of the country of issue to be dealt with in accordance with the regulations of that country.

Article XII.

The remitter of a Money Order may obtain an advice of payment of the Money Order by paying in advance, to the exclusive profit of the Administration of the country of issue, a fixed charge equal to that which is made in that country for acknowledgments of receipt of registered correspondence.

The advice of payment shall be on a form in accordance with or analogous to the annexed specimen (Appendix A).

The advice of payment shall be prepared by the paying Office, and shall be transmitted directly to the Office of issue either by the Office of payment or by the Exchange Office of the country of payment.

The advice of payment of a "Through" Money Order (see Article XIX) shall be sent through the Offices of Exchange of the two countries, and any application for an advice of payment made subsequent to the issue of the Order shall be sent in the same manner.

Article XIII.

Money Orders sent from one country to the other shall be subject, as regards issue, to the rules in force in the country of origin, and as regards payment, to the rules in force in the country of destination.

Article XIV.

The General Post Office at Bandoeng shall communicate to the Colombo Office of Exchange the particulars of sums received for payment in Ceylon, and the Colombo Office of Exchange shall communicate to the General Post Office at Bandoeng the particulars of such sums received for payment in the Netherlands Indies. Advice Lists similar to the annexed forms "B" and "C" shall be used for this purpose, and every such list shall be forwarded under registered cover by the first available mail after the issue of the Money Orders to which it relates.

Article XV.

The Money Orders entered upon the Advice Lists shall be numbered serially, the series commencing each year with No. 1. The number borne by an Order in the list shall be known as its International Number. The lists shall also be numbered serially, the series commencing each year with No. 1.

Article XVI.

Any missing Advice List shall be immediately applied for by the Office of Exchange to which it should have been sent. The despatching Office of Exchange shall, in such case, transmit without delay to the receiving Office of Exchange a duplicate list, duly certified as such.
Article XVII.

Every Advice List shall be carefully verified by the Office of Exchange to which it is sent, and shall be corrected if it contains a manifest error. Any correction shall be communicated to the despatching Office of Exchange. If a list shows other irregularities, the Office of Exchange receiving it shall require an explanation from the despatching Office of Exchange, which shall give such explanation with as little delay as possible. In the meantime, the issue of an internal Money Order relating to any entry which is found to be irregular shall be suspended.

Article XVIII.

As soon as an Advice List reaches the receiving Office of Exchange, that Office shall, after verifying its contents, prepare internal Money Orders in favour of the payees for the amounts specified in the List as payable in the money of the country of payment, and shall then forward such internal Money Orders to the payees or to the paying Offices according to the arrangements existing in the country of payment.

Article XIX.

If the Netherlands Indies Post Office desires to send Money Order remittances, through the medium of the Ceylon Post Office, to any of the Foreign countries, British Colonies etc., with which the Ceylon Post Office transacts Money Order business, it shall be at liberty to do so, provided that the following conditions are fulfilled:

(a) The General Post Office at Bandoeng shall advise the amount of any such “Through” Order to the Money Order Department, Colombo, which will re-advise it to the country of payment.

(b) No such Order shall exceed the maximum amount fixed by the country of destination for Money Orders issued in Ceylon.

(c) The particulars of “Through” Orders shall be entered in red ink at the end of the ordinary Advice Lists despatched to Colombo, or on separate sheets, and the total amounts of the “Through” Orders shall be included in the totals of such lists.

(d) The name and address of the payee of a “Through” Order, including the names of the town and country of payment, shall be given as fully as possible.

(e) The Netherlands Indies Post Office shall allow to the Ceylon Post Office the same percentage (see Article V) on “Through” Orders as on Orders payable in Ceylon, the Colombo Office of Exchange crediting the Office of the country of payment with the same percentage for “Through” Orders as for Orders issued in Ceylon, and, for its intermediary services, deducting from the amount of each re-advised order a special commission to be fixed by the Ceylon Post Office.

(f) When the amount of a “Through” Order is repaid to the remitter, the commission charged for the intermediary service shall not be refunded.

If the Ceylon Post Office desires to send Money Orders through the medium of the Netherlands Indies Post Office to any of the countries with which the Netherlands Indies Post Office transacts Money Order business, it shall be at liberty to do so under similar conditions to those stated in the foregoing paragraphs. Each Administration shall communicate to the other the names of the countries with which it transacts Money Order business, the limit of amount adopted for each, and the rates of commission deducted for its intermediary services.
Article XX.

At the end of every month the Office of Exchange of each of the contracting Administrations shall prepare and forward to the other:

1. A detailed statement, showing the total of each Advice List received from the other Administration during that month (see Appendix D).

2. A list showing particulars of every Order which it has authorised the other Administration during that month to repay to the remitter (see Appendix E).

3. A list showing particulars of every Order issued by the other Administration which, not having been paid twelve months after the end of the month of issue, has during that month become forfeited to the country of issue (see Appendix F).

The statements "D" and "E" shall be rendered in duplicate, and one copy of each statement, duly verified by the receiving Office, shall be returned to the despatching Office.

Article XXI.

As soon as it receives the verified copies of the statements "D" and "E" provided for in Article XX, the General Post Office at Bandoeng shall furnish to the Office of Exchange at Colombo a Money Order Account (in duplicate) which shall include the following items:

(a) To the credit of Ceylon:

The totals, both in rupee — and guilder currencies, of the Advice Lists which have been despatched from Bandoeng during the month — less the amount of Orders authorised to be repaid in the Netherlands Indies and the total amount of the Netherlands Indies Orders which have become void during the month — and the allowance of $\frac{1}{2}$ per cent on the amount of Orders paid in Ceylon.

(b) To the credit of the Netherlands Indies:

The totals, both in rupee — and guilder currencies, of the Advice Lists which have been despatched from Colombo during the month — less the amount of Orders authorised to be repaid in Ceylon and the total amount of Ceylon Orders which have become void during the month — and the allowance of $\frac{1}{2}$ per cent on the amount of Orders paid in the Netherlands Indies.

The Money Order Account shall be prepared on a form similar to that in Appendix G. One copy of the account duly accepted, shall be returned to the General Post Office at Bandoeng.

Article XXII.

The balance of the Account shall be shown in the currency of the Country to which it is due.

Article XXIII.

Whenever during a month it is found, that the Orders drawn upon one of the two countries exceed in amount by Rs. 5000/- or its equivalent in Netherlands Indies currency the Orders drawn upon the other, the latter shall at once send to the former, as a remittance on account, the approximate amount in a round sum of the ascertained difference.
Article XXIV.

When the Netherlands Indies Post Office has to pay to the Ceylon Post Office the balance of the General Account, it shall do so at the same time at which it forwards the Account to the Ceylon Office of Exchange, and when the Ceylon Post Office has to pay the balance, it shall do so at the same time at which it returns to the Netherlands Indies Post Office of Exchange the duplicate of the Account accepted. In the absence of other arrangements, such payments as well as any payments required under the provisions of Article XXIII shall be effected by means of drafts in the currency of the creditor country payable at sight at a place in that country. Any amount remaining due from one Administration to the other at the expiration of six months following the period covered by the relative Account shall thenceforth be subject to interest at the rate of 7 per cent per annum.

Article XXV.

Should it appear at any time, that Money Orders are used by mercantile men or other persons in Ceylon or in the Netherlands Indies for the transmission of large sums of money, the Ceylon Post Office or the Netherlands Indies Post Office as the case may be, shall be authorised to increase the commission, and shall have power even wholly to suspend, for a time, the issue of Money Orders.

Article XXVI.

Each of the contracting Administrations shall be authorised to adopt any additional rules (if not in contradiction to the foregoing) for greater security against fraud, or for the better working of the system generally, provided that it shall communicate all such additional rules to the other Administration.

Article XXVII.

This agreement shall come into operation on a date to be mutually agreed upon, and shall be terminable on a notice by either party of six calendar months.

Done in duplicate and signed at Bandoeng on the fourteenth day of November 1927, and at Colombo on the fifth of October 1927.
