Royal Norwegian Legation. Helsingfors.

With reference to Verbal Note No. A. 847.III of November 1st last, dealing with the reduction of visa fees for Norwegian and Latvian nationals, the Royal Norwegian Legation has the honour to inform the Latvian Ministry of Foreign Affairs that the Norwegian Government agrees to a fee of Ls. 10 for an entrance and exit visa, valid for an unlimited number of journeys during one year.

The Norwegian Government further agrees to a fee of 5 crowns for a transit visa, valid for an unlimited number of transit journeys during one year.

The regulations in force in Norway allow a Latvian citizen who is provided with an ordinary, visa (i.e., not a transit visa) to remain in Norway not longer than two months without special permission and without payment of the residence tax. The Norwegian Government assumes that Norwegian subjects will enjoy a corresponding right in Latvia.

As regards journeys in transit, the competent Norwegian authorities have not found it necessary in view of the geographical situation of Norway, to specify the number of days for which foreigners holding transit visas may remain in Norway. Such travellers must, however, continue their journey without remaining longer than is necessary in the country.
