FOR FOREIGN AFFAIRS.

No 80-W.

MONSIEUR LE MINISTRE,

With reference to our previous negotiations, I have the honour to inform Your Excellency that the Estonian Government, in accepting the proposal made by the Belgian Government for regulating the Customs relations between Estonia and the colonial possessions of Belgium, agrees, subject to reciprocity, to grant to products of the Belgian Congo and of the Ruanda-Urundi territories under Belgian mandate on importation into Estonia the benefit of the same Customs tariff as is applied to products of the Belgo-Luxemburg Economic Union.

This régime shall come into force as soon as notification of its ratification by Estonia is received by the Belgian Government.

The régime thus established may only be terminated by giving six months' notice.

I would request you, on behalf of the Estonian Government, to inform me whether your Government agrees to these proposals, and I am, etc.,

J. Tõnisson.

To His Excellency
Baron F. de Selys-Fanson,
Belgian Minister in Estonia,

No. 886.

Monsieur le Ministre,

Riga, April 24, 1931.

In a note No. 80 of April 23, 1931, Your Excellency was good enough to inform me that "the Estonian Government, in accepting the proposal made by the Belgian Government for regulating the Customs relations between the colonial possessions of Belgium and Estonia, agrees, subject to reciprocity, to grant to products of the Belgian Congo and of the Ruanda-Urundi territories under Belgian mandate on importation into Estonia the benefit of the same Customs tariff as is applied to products of the Belgo-Luxemburg Economic Union.

"This régime shall come into force as soon as notification of its ratification by Estonia is received by the Belgian Government.

"The régime thus established may only be terminated by giving six months' notice."

I have the honour to inform Your Excellency that the Belgian Government agrees to the proposals of the Estonian Government for regulating the Customs relations between the colonial possessions of Belgium and Estonia and undertakes for its part, subject to reciprocity, to apply the most favourable Customs treatment to Estonian products imported into the colonial possessions of Belgium.

This régime shall come into force as soon as notification of its ratification by Estonia is received by the Belgian Government.

It may only be terminated by giving six months' notice.

I have the honour, etc.

Baron F. de Selys-Fanson.

Belgian Minister.

His Excellency

Monsieur Jaan Tõnisson,
Minister for Foreign Affairs, etc.,
