G. Government Calls.

§ 1 (2). — There are urgent Government calls and ordinary Government calls.

§ 2 (5). — The duration of Government calls is not limited. Nevertheless, the German Administration reserves the right to limit the duration of ordinary Government calls to six minutes when these calls are made through one of its offices.

H. Subscription Calls.

§ 3. — During the hours of light traffic, subscription calls of more than six minutes may be admitted by the offices concerned if the normal traffic on the circuits to be employed permits.

§ 5. — The amount of the subscription is calculated as a general rule on a mean duration of thirty days, but is computed on the basis of twenty-five days for subscription calls during the hours of heavy traffic (Section H., § 2 (1) above) when the subscriber has asked for Sundays and holidays to be excepted.

§ 6 (2). — Add: The additional call is regarded as a new call (Section L, § 1 (1)) and charged for during the hours of heavy traffic at the unit charge at least, and during the hours of light traffic at three-fifths (3/5) of the unit charge at least.

§ 7 (3). — Add: When the amount of the subscription is calculated on a mean duration of twenty-five days (Section H, § 2 (1) above), the refund is fixed at a twenty-fifth of this amount, or at the part of the twenty-fifth of the amount of the subscription corresponding to the time lost.

§§ 3 and 4. — Zones. — For the fixing of terminal charges:
The Lithuanian territory forms a single zone.
The Netherlands territory forms a single zone.

§ 6. — The hours of light traffic are 7 p.m. to 8 a.m. (legal time of the country of origin). As regards subscription calls, the country of origin is that in which the subscription has been paid.
