N° 2919.

GRANDE-BRETAGNE
ET IRLANDE DU NORD ET FRANCE

Arrangement entre l'Administration des Postes du Honduras britannique et l'Administration des Postes de la France pour l'échange de colis postaux grevés de remboursement, et règlement d'exécution y annexé. Signés à Belize, le 19 juin, et à Paris, le 28 novembre 1931.

GREAT BRITAIN AND
NORTHERN IRELAND AND FRANCE

English and French official texts communicated by His Britannic Majesty’s Secretary of State for Foreign Affairs. The registration of this Agreement took place March 14, 1932.

Article 1.

1. Parcels subject to the collection of Trade Charges may be exchanged between British Honduras on the one part and France, Corsica and Algeria on the other.

2. Except as provided otherwise in this Agreement and in the Detailed Regulations appended thereto, Trade Charge Parcels shall be subject to the conditions and charges applying to ordinary parcels or to insured parcels as the case may be. They shall also be subject to the special formalities and fees hereinafter described.

Article 2.

1. The amount of Trade Charge shall be expressed in the currency of the country of origin of the parcels.

2. The maximum amount of Trade Charge is fixed at $200 (United States Currency) for a parcel posted in British Honduras and at 5000 francs for a parcel posted in France.

3. In calculating the amount of Trade Charge, fractions of a cent or of a demi-decime (5 centimes) are ignored.

Article 3.

1. Each Administration fixes the special fee to be levied from the sender of a Trade Charge Parcel. The fee must not exceed:

   (a) 5 cents for each $5 or fraction of $5 to be collected in the case of a parcel posted in British Honduras.

   (b) 20 centimes for each 20 francs or fraction of 20 francs to be collected in the case of a parcel posted in France.

2. Each Administration shall communicate to the other the special fee fixed in its service by virtue of the preceding paragraph as well as any alteration subsequently made in it.

¹ Came into force January 1, 1932.
3. This fee is shared between the Administration of the country of origin and that of the
country of destination in the manner prescribed in the Detailed Regulations (Article X, §2).

Article 4.

1. In addition to the special fee fixed by the preceding Article the Post Office of British
Honduras is authorised to collect for its own benefit a supplementary fee not exceeding 4 cents per
Trade Charge Parcel posted in British Honduras and 8 cents per parcel in the case of parcels delivered
in British Honduras.

In the first case the fee is collected from the sender and in the second case from the addressee
of the parcel.

Article 5.

1. The amounts of Trade Charges collected shall be liquidated by means of Trade Charge
Money Orders, issued free of all charges. The amount of a Trade Charge Money Order which cannot
be delivered remains at the disposal of the Administration of the country of origin of the parcel
on which the Trade Charge is payable.

Article 6.

1. The loss of a Trade Charge Parcel entails responsibility upon the postal service in the
conditions provided in the Agreement between Great Britain and France for parcels not subject
to Trade Charges.

2. After the delivery of a parcel, the Post Office of the country of destination is responsible
for the amount of the Trade Charge, unless it can prove that the parcel or the relative Despatch
Note did not when transmitted to its service bear the indications prescribed in Article x of the
appended Detailed Regulations, and that the parcel was not specially advised as subject to the
collection of a Trade Charge on the Parcel Bill relating to the Mail in which the parcel was received.
Nevertheless, an application as to the disposal of the amount of a Trade Charge is entertained only
if made within a year after the day of posting of the parcel.

Article 7.

The sender of a parcel posted under this arrangement may not have the amount of the Trade
Charge cancelled or altered after posting.

Article 8.

The two Administrations undertake to admit Trade Charge parcels in transit through their
services. Nevertheless, the accounts relative to the Trade Charges must be drawn up and settled
directly between the Post Offices of origin and destination of the parcels.

Article 9.

The two Administrations are authorised to fix by common consent the measures of detail
necessary for ensuring the performance of the present Agreement and to modify them from time
to time in accordance with the needs of the service.
Article 10.

This Agreement shall come into force on the date to be agreed upon between the two Administrations. It will remain in force until the expiry of one year from the date on which either Administration shall give notice to the other of its intention to terminate it.

Done in Duplicate at Paris the 28th day of November, 1931, and at Belize the 19th day of June, 1931.

DETAILED REGULATIONS

FOR CARRYING OUT THE AGREEMENT CONCERNING THE EXCHANGE OF POSTAL PARCELS SUBJECT TO TRADE CHARGES CONCLUDED BETWEEN THE POST OFFICE OF BRITISH HONDURAS AND THE POST OFFICE OF FRANCE.

Article I.

1. On a Trade Charge parcel and on the Despatch Note relating to it, the word "Remboursement" must be written or printed boldly beside the address, and after it the amount of the Trade Charge must be shown in the money of the country of origin, without erasure or alteration, even if certified.

2. Each Trade Charge parcel must be accompanied by a separate Despatch Note.

3. Each Trade Charge parcel and the relative Despatch Note must bear an orange coloured label with the word "Remboursement" in Latin characters.

4. At the time of posting the sender may request that if the parcel cannot be delivered as addressed it may be either:
   (a) treated as abandoned, or
   (b) tendered for delivery at a second address in the country of destination. No other alternative is admissible. If the sender avails himself of this facility, his request must be written at the bottom of the Despatch Note and on the cover of the parcel, and must be in conformity with, or analogous to one of the following forms:
   "If not deliverable as addressed, abandon".
   "If not deliverable as addressed, deliver to.............................................."

In the absence of these indications a Trade Charge Parcel which is undeliverable to the addressee at the expiration of 15 days from its arrival at the place of destination, shall be returned to the sender without previous notification and at his expense.

Article II.

Each Trade Charge Parcel shall be entered separately as such on the parcel bill, the amount of the Trade Charge being stated.

Article III.

1. Every Trade Charge parcel shall be accompanied by a Trade Charge Money Order form in conformity with, or analogous to, the specimen annexed to the present Agreement. This Money Order form which shall be attached to the Despatch Note, must bear a statement of the amount of the Trade

No. 2919
Charge in the currency of the country of origin of the parcel and should show, as a general rule the sender of the parcel as payee of the Order. It is free to each Administration, however, to have the Orders relating to the parcels originating in its service addressed to the offices of origin of the parcels or to other offices.

2. Entries in pencil will not be allowed on Trade Charge Money Orders.

Article IV.

Except by contrary agreement between the Administrations of origin and of destination, the amounts of the Trade Charge Orders are converted into the currency of the country of destination by the Post Office of that country which uses for this purpose a rate of conversion approximating to the market rate of exchange. The rate of conversion may be modified from time to time, on condition that the changes are notified immediately to the corresponding Administration.

Article V.

1. Immediately after collecting the Trade Charge, the Office of destination of the parcel, or any other Office designated for the purpose by the Administration of the country of destination, fills in the part "Indications de Service" of the Trade Charge Money Order form and, after impressing it with its date-stamp returns it free of postage to the office of origin of the parcel or to the office specially named by the Administration of the country of origin on the form itself.

2. Trade Charge Money Orders are paid under the conditions determined by the Administration of the country of payment.

Article VI.

1. A Trade Charge parcel may be redirected if the new country of destination maintains with that of origin an exchange of Trade Charge parcels. The re-directed parcel is accompanied by the Trade Charge Money Order form made out by the service of origin and the country from which it is redirected shall not be concerned with the settlement of the Trade Charge.

2. In the case of an application for re-direction to a country which does not maintain with that of origin an exchange of Trade Charge parcels, the parcel is treated as one which cannot be delivered.

Article VII.

1. A Trade Charge Money Order form relating to a parcel which, for any reason whatever, is returned to origin should be cancelled by the office which returns the parcel, and should be annexed to the Despatch Note.

2. Trade Charge Money Orders mislaid, lost or destroyed before the collection of the Trade Charge are replaced without formality by new Money Orders marked at the top "Duplicate" prepared by the office of destination of the parcels.

3. A Trade Charge Money Order mislaid, lost or destroyed after the collection of the Trade Charge is likewise replaced by a duplicate or by an authority to pay, after proof by the two Post Offices that the Order has not been paid.

Article VIII.

1. A Trade Charge Money Order which it has not been possible to deliver to the payee within the period of validity applicable to International Money Orders is, at the expiration of the period of validity, receipted by the Administration of the country of payment, and claimed from the Administration which issued it.

2. A Trade Charge Money Order which has been delivered to the payee, and of which the payee has not claimed payment within the period of validity applicable to International Money Orders is
replaced by an authority to pay. This authority to pay shall be drawn up by the Administration which collected the Trade Charge as soon as it has been able to ascertain that the original Order has not been paid within the period of validity, and shall be receipted by the other Administration which shall claim the amount due in the first account rendered after its receipt.

**Article IX.**

1. A Trade Charge Money Order of which payment cannot be effected for one of the following reasons:
   
   (i) Incorrect, insufficient, or doubtful description of the name or address of the payee;
   
   (ii) Difference or omission of name or amount;
   
   (iii) Erasure of, or addition to, an entry;
   
   (iv) Omission of stamp, signature or other service indication;
   
   (v) Use of irregular form;

   shall be corrected by the Administration which has issued it.

2. For this purpose, the Order shall be returned as soon as possible, officially registered, to the Office of issue by the Office of payment.

**Article X.**

1. The Trade Charges paid by each Post Office on behalf of the other Post Office form the subject of quarterly Trade Charge Accounts (Specimen A annexed).

2. In the Trade Charge Accounts, which are accompanied by the paid and receipted Trade Charge Orders, the Orders are entered in alphabetical sequence of the Offices of issue and in numerical sequence of their issue at those Offices. At the end of each account the Office which has drawn it up deducts from the total sum of its credit one-half of one per cent. (½ %) of this total representing the share of the other Office in the Trade Charge fees as specified at Article 3 § 3 of the Agreement.

3. The verification and acceptance of Trade Charge Accounts shall be affected directly between the two Postal Administrations concerned.

4. The balances of the Trade Charge Accounts are settled direct between the two Administrations concerned, by names of drafts drawn on a town of the creditor country and in the money of that country.

**Article XI.**

The present Regulations shall be brought into operation on the day on which the Agreement comes into force. They shall have the same duration as the Agreement.
