Article 4.

The provisions of Article 19 of the Treaty\(^1\) between the United States of America, the British Empire, France, Italy and Japan limiting naval armament, signed at Washington on the 6th February, 1922, shall, so long as that Treaty remains in force, apply in respect of all islands in the Turtle and Mangsee Groups which are or may be deemed to be comprised within the territories of the Philippine Archipelago on the one hand and of the State of North Borneo on the other hand in consequence of the establishment of the line fixed by the preceding articles of the present Convention. In the event of either High Contracting Party ceding, selling, leasing or transferring any of the islands in question to a third party provision shall be made for the continued application to such island of the aforementioned Article 19 of the Treaty between the United States of America, the British Empire, France, Italy and Japan limiting naval armament, signed at Washington on the 6th February, 1922, provided that Treaty is still in force at the time of such cession, sale, lease or transfer.

Article 5.

EXCHANGE OF NOTES

I.

SIR ESME HOWARD to MR. STIMSON.

WASHINGTON, January 2, 1930.

Sir,

By the convention concluded between the President of the United States of America and His Britannic Majesty for the purpose of delimiting the boundary between the Philippine Archipelago on the one hand and the State of North Borneo which is under British protection on the other hand, the sovereignty over certain islands which have for many years past been administered by the British North Borneo Company has been definitely recognised as pertaining to the United States of America. These islands which formed the subject of the arrangement effected by an exchange of notes¹ between His Majesty’s Government and the United States Government on the 3rd and 10th July, 1907, are:

(1) Sibaung, Boaan, Lihiman, Langaan, Great Bakkungaan, Taganak, and Baguan in the group of islands known as the Turtle Islands.

(2) The Mangsee Islands.

His Majesty’s Government in the United Kingdom understand that the Government of the United States of America are prepared to conclude an arrangement in regard to these islands, supplementary to the above-mentioned convention, in the following terms:

Firstly. — That the said Company be left undisturbed in the administration of the islands in question unless or until the United States Government give notice to His Majesty’s Government of their desire that the administration of the islands should be transferred to them. The transfer of administration shall be effected within one year after such notice is given on a day and in a manner to be mutually arranged.

Secondly. — That when the administration of any island is transferred in accordance with the foregoing the said Company will deliver to the United States Government all records relating to administration prior to the date of transfer.

Thirdly. — The United States of America shall not be responsible for the value of any buildings which have been or may be erected or other permanent improvements which have been or may be made in any island the administration of which is subject to transfer but any buildings or improvements erected or made by the administrative authorities prior to the transfer of administration may be removed provided the interests of the United States of America are not thereby injured. In the event, however, of the Island of Taganak being so transferred, the United States Government will give favourable consideration to the question of the compensation to be paid to the said company in respect of the capital expenditure incurred by the company in connection with the lighthouse situated on the island, and the United States Government will provide for the future maintenance of the lighthouse.

Fourthly. — That such privilege of administration shall not carry with it territorial rights, such as those of making grants or concessions in the islands in question to extend beyond the temporary occupation of the company; and any grant, concession, or licence made by the company shall cease upon the termination of the company’s occupation.

The United States Government, however, take note of the desire of His Majesty’s Government that the following titles to land in certain of the islands which were in good

APPENDIX

Exchange of Notes concerning the Administration and Lease of certain Small Islands on the North Bornean Coast by the British North Borneo Company, signed at Intervale, N. H., July 3, 1907, and at Washington, July 10, 1907.

Mr. Bryce to Mr. Elihu Root.

British Embassy.

Intervale, N. H., July 3, 1907.

Sir,

I have the honour to inform you that His Majesty's Government, acting at the request and on behalf of the British North Borneo Company, are prepared to acquiesce in the last proposal stated in your letter to Sir H. M. Durand of the 19th December last, respecting the administration of certain islands on the east coast of Borneo. I am therefore instructed by His Majesty's Principal Secretary of State for Foreign Affairs to place the proposed arrangement formally on record without further delay.

His Majesty's Government understands the terms of the arrangement to be as follows:

**Firstly.** — That the said company be left undisturbed in the administration of the islands in question without any agreement specifying details, the United States Government simply waiving in favour of the said company the right to such administration in the meantime; in other words, that the existing status be continued indefinitely at the pleasure of the two Governments concerned.

**Secondly.** — That such privilege of administration shall not carry with it territorial rights, such as those of making grants or concessions in the islands in question to extend beyond the temporary occupation of the company; and any grant, concession, or licence made by the company shall cease upon the termination of the company's occupation.

**Thirdly.** — That the temporary waiver of the right of administration on the part of the United States Government shall cover all the islands to the westward and south-westward of the line traced on the map \(^1\) which accompanied Sir H. M. Durand's memorandum of the 23rd June, 1906, and which is annexed to and to be deemed to form part of this note.

**Fourthly.** — That the British North Borneo Company, through His Majesty's Government, shall agree to the exception of the United States Government "from any claim of allegation that the latter Government has incurred any responsibility in respect of acts done in or from any island within the said line.

**Fifthly.** — That the understanding shall continue until the said two Governments may by treaty delimit the boundary between their respective domains in that quarter or until the expiry of one year from the date when notice of termination be given by either to the other.

**Sixthly.** — That in case of denunciation, the United States Government shall not be responsible for the value of any buildings or other permanent improvements which may have been erected or made by the company upon the islands, but permission is hereby given to the company to remove, at its own expense, any buildings or improvements erected by it, provided the interests of the United States be not injured thereby.

I have, therefore, the honour to request you to be so good as to inform me whether the United States adhere to the terms of the arrangement above described, and I shall be glad to receive an assurance from you at the same time that this note will be considered by the United States Government as sufficient ratification of the above arrangement on the part of His Majesty's Government.

I have, etc.
