Monsieur le Ministre,

In a letter dated August 10th last, No. 16388, you were good enough to inform me that the Lithuanian Government had no objection to the conclusion of a special Agreement between Lithuania and Belgium for the purpose of abolishing consular visas on the bills of health of vessels flying the flag of either country and entering a port belonging to the other.

I have consequently the honour to inform you that His Majesty’s Government consents to conclude the following Agreement:

"The Royal Belgian Government and the Lithuanian Government reciprocally undertake to dispense with the visas of their consular agents on bills of health of vessels flying the flag of the other contracting State and entering any of their ports, from whatever ports they may come.

"This Agreement, which shall come into force on October 1st, 1934, shall not apply to the Colony of the Belgian Congo."

I should be grateful if Your Excellency, in token of the acceptance which the Lithuanian Government expressed the intention of according to the Agreement the text of which is given above, would be good enough to send me a similar note for the Belgian Government.

I have the honour to be, etc.

Belgian Chargé d’Affaires.

His Excellency Monsieur Lozoraitis,
