MINISTRY OF FOREIGN AFFAIRS.

COPENHAGEN, August 22nd, 1934.

Monsieur le Ministre,

I have the honour to inform you that trade or commercial marks belonging to Chilean nationals shall, subject to reciprocity, enjoy in Denmark the same registration rights and the same protection as the trade and commercial marks belonging to Danish nationals, subject, however, to the observance of the Danish laws on the registration of trade or commercial marks.

Chilean nationals who do not carry on trade or industry in Denmark shall, however, only benefit by the protection of their trade or commercial marks in so far as and for so long as they enjoy such protection in Chile.

The provisions of the Danish legislation on trade or commercial marks stipulating that the deposit for purposes of registration in Denmark of a trade or commercial mark may be regarded, in respect of other deposits, as having been made simultaneously with an earlier deposit of the same mark in a foreign country, shall not apply to Chilean nationals.

The above provisions shall apply equally to individual Chilean nationals and to Chilean companies or other associations.

If the Chilean Government accepts the provisions mentioned above, it is understood that the present Agreement shall come into force three months after the receipt of your reply and shall remain in force until the expiry of a period of six months from the date upon which either Contracting Party denounces it.

I have the honour to be, etc.

(Signed) P. MUNCH.

To Monsieur H. L. Wessel,
Chilean Minister.

Danish nationals who do not carry on trade or industry in Chile shall, however, only benefit by the protection of their trade or commercial marks in so far as and for so long as they enjoy such protection in Denmark.
