BRITISH LEGATION.

KABUL, February 3rd, 1934.

YOUR EXCELLENCY,

I have the honour, under instructions from His Majesty’s Principal Secretary of State for Foreign Affairs, to inform you that the Agreement arrived at between Captain W. R. Hay, the representative of His Majesty’s Government in the United Kingdom of Great Britain and Northern Ireland and the Government of India, and Aliqadr Sadaqatmaab Habibullah Khan Tarzi, the representative of the Government of His late Majesty King Muhammad Nadir Shah, by the signature on the 11th July, 1932, of a map showing the location of the Indo-Afghan frontier in the neighbourhood of Arnawai and Dokalim has been approved by His Majesty’s Government in the United Kingdom of Great Britain and Northern Ireland and the Government of India. His Majesty’s Government in the United Kingdom and the Government of India accordingly confirm the boundary line demarcated by the said representatives as shown in the facsimile copy of the original signed map and the accompanying description of the boundary pillars hereunto annexed.

2. Further, I have the honour to inform your Excellency that His Majesty’s Government in the United Kingdom and the Government of India approve and confirm the subsidiary proposals which are set out in Captain W. R. Hay’s letter of the 10th July, 1932, addressed to Aliqadr Sadaqatmaab Habibullah Khan Tarzi in the following terms:

(a) That the people of Dokalim shall be allowed to take water required for the irrigation of their lands in Dokalim from the Arnawai Khwar above the boundary fixed; and

(b) That the people of Arnawai may be allowed to float wood required for local use down that portion of the Arnawai Khwar which forms the international boundary.

3. In regard, however, to the decision mentioned in paragraph 2 (a) above, it will, of course, be understood that without the consent of the local British authorities no new water channel shall be constructed above the boundary fixed.

4. If the boundary line as shown in the annexes to the present note and the above-mentioned subsidiary proposals are acceptable to the Government of His Majesty King Muhammad Zahir Shah, I suggest that the present note and your Excellency’s reply in similar terms be regarded as constituting, as from to-day’s date, a definitive Agreement on this matter between the Royal Afghan Government on the one hand and His Majesty’s Government in the United Kingdom and the Government of India on the other.

I have, etc.

(FEBRUARY 3RD, 1934).

M. LE MINISTRE,

I have the honour to acknowledge the receipt of your Excellency's note of the 3rd February, 1934, in which you informed me that the Agreement arrived at between Aliqadr Sadaqatmaab Habibullah Khan Tarzi, and Captain W. R. Hay, the representative of His Majesty's Government in the United Kingdom of Great Britain and Northern Ireland and the Government of India, by the signature of a map which shows the location of the frontier of Afghanistan and India in the neighbourhood of Arnawai and Dokalim, and was signed on the 11th July, 1932, has been approved by His Majesty's Government in the United Kingdom of Great Britain and the Government of India, and that accordingly the boundary line as demarcated by the said representatives and as shown in the facsimile copy of the original signed map and the accompanying descriptions of the boundary pillars annexed to your Excellency's note, has been confirmed by His Majesty's Government in the United Kingdom and Northern Ireland and the Government of India.

2. In paragraph 2 it was stated that His Majesty's Government in the United Kingdom and the Government of India also approve and confirm the subsidiary proposals which are set out in Captain W. R. Hay's letter of the 10th July, 1932, addressed to Aliqadr Sadaqatmaab Habibullah Khan Tarzi, which proposals are as follows:

(a) That the people of Dokalim shall be allowed to take water required for the irrigation of their lands in Dokalim from the Arnawai Khwar above the boundary fixed;

(b) That the people of Arnawai shall be allowed to float wood required for local use down the portion of the Arnawai stream which forms the international boundary.

3. In regard to (a) above, it will of course be understood that no new water channel shall be constructed above the boundary fixed unless the consent of the local British authorities has first been obtained.

4. In accordance with the instructions received from my Government, I have the honour to state in reply to your note quoted above that the Royal Government of Afghanistan under the rule of His Majesty Muhammad Zahir Shah confirm the boundary line, as demarcated by the said representatives and as shown in the facsimile copy of the original signed map and the accompanying description of the boundary pillars hereunto annexed, and also accept the subsidiary proposals set forth above. The Government of His Majesty Muhammad Zahir Shah accordingly agree that the present note and your Excellency's note shall be regarded as constituting, with effect from to-day's date, a definitive Agreement between the Royal Afghan Government on the one hand and His Majesty's Government in the United Kingdom and the Government of India on the other. In conclusion, I renew my profound respects.

Faiz MUHAMMAD,
