(a) 7 millions in the form of a credit opened with the National Bank of Yugoslavia on April 5th, 1934, in the name of the Turkish Government for the purchase of goods; the said sum not to be included in any compensation system which may be established in connection with the conclusion of a commercial treaty between the two Governments;

(b) 10 millions in Treasury Bonds, of which 5 millions shall be payable on April 5th, 1935, and 5 millions on December 31st, 1935.

III.

All existing claims of the two contracting countries and of the nationals of either country on the Government of the other, resulting from measures concerning movable property seized in conformity with the agrarian reform and colonisation laws and abandoned rural property, shall be regarded as settled by the present Agreement.
