N° 3741.

BELGIQUE ET SUISSE

Accord concernant le régime fiscal des véhicules à moteur, et protocole final. Signés à Bruxelles, le 30 août 1935.

BELGIUM AND SWITZERLAND

"French official text communicated by the Belgian Minister for Foreign Affairs. The registration of this Agreement took place October 5th, 1935."

The undersigned, acting in virtue of the powers conferred on them by their respective Governments, have agreed on the following provisions:

**Article 1.**

§ 1. When a motor vehicle duly registered in Switzerland circulates temporarily in Belgium, it shall be exempted, in the whole of Belgian territory, from the taxes or charges levied on the circulation or possession of motor vehicles, provided that the said vehicle is only used in either country for the conveyance of passengers without hire or reward.

§ 2. When a motor vehicle duly registered in Belgium circulates temporarily in Switzerland, it shall be exempted, in the whole of Swiss territory, from the taxes or charges levied on the circulation or possession of motor vehicles, provided that its stay in Switzerland does not exceed three consecutive months and that the said vehicle is only used in either country for the conveyance of passengers without hire or reward. When the stay in Switzerland exceeds three consecutive months, the tax shall only be due for the portion of the stay exceeding the duration of exemption.

§ 3. Apart from the exemptions laid down in Article 2 below, the present Agreement therefore does not apply to vehicles used for the public transport of passengers for hire or reward, or for the conveyance of goods.

**Article 2.**

Motor coaches registered in one of the two countries and conveying passengers for hire or reward in the other country shall be exempted from the duties or taxes referred to in Article 1 in so far as the passengers in question were exclusively taken on board in the country of registration.

**Article 3.**

§ 1. In order to benefit from the exemptions provided for in the present Agreement, motor vehicles of all kinds must be provided with a registration plate of their respective countries and must carry the letter B or the letters CH indicating their nationality.
