GREAT BRITAIN
AND NORTHERN IRELAND
AND FREE CITY OF DANZIG

English and German official texts communicated by His Majesty's Secretary of State for Foreign Affairs in Great Britain. The registration of this Agreement took place May 5th, 1937.

The Post Offices of the United Kingdom of Great Britain and Northern Ireland and of the Free City of Danzig agree to effect a regular direct exchange of parcels between the United Kingdom of Great Britain and Northern Ireland and the Free City of Danzig.

In this Agreement and the Detailed Regulations appended the expression "the United Kingdom" means Great Britain and Northern Ireland, the Channel Islands and the Isle of Man.

AGREEMENT.

Article 1.

Limits of Weight and Size.

1. A parcel for the Free City of Danzig posted in the United Kingdom shall not exceed 22 pounds in weight, 3 feet 6 inches in length, and 6 feet in length and girth combined; and a parcel for the United Kingdom posted in the Free City of Danzig shall not exceed 10 kilogrammes in weight, 1.05 metres in length and 1.80 metres in length and girth combined.

2. As regards the exact calculation of the weight and dimensions of a parcel, the view of the despatching office shall be accepted except in a case of obvious error.

Article 2.

Transit of Parcels.

The two Postal Administrations guarantee the right of transit for parcels over their territory to or from any country with which they respectively have parcel post communication. Transit parcels shall be subject to the provisions of this Agreement and to the Detailed Regulations so far as these are applicable.

\(^1\) Came into force February 1st, 1937.
Article 3.

Prepayment of Postage. Rates.

1. The prepayment of the postage on a parcel shall be compulsory, except in the case of a redirected or returned parcel.

2. The postage shall be made up of the sums accruing to each Postal Administration taking part in the conveyance by land or sea.

Article 4.

Territorial Rate.

For parcels despatched from one of the two countries for delivery in the other, the territorial rates of the United Kingdom shall be Fr. 1.00, Fr. 1.50, Fr. 2.00 and Fr. 3.15 for parcels not exceeding 1 kg. (2 lb.), 3 kgs. (7 lb.), 5 kgs. (11 lb.) and 10 kgs. (22 lb.) in weight respectively; and the territorial rates of the Free City of Danzig shall be Fr. 0.55, Fr. 0.75 and Fr. 1.25 for parcels not exceeding 1 kg. (2 lb.), 5 kgs. (11 lb.) and 10 kgs. (22 lb.) in weight respectively.

The Postal Administration of the Free City of Danzig reserves the right to vary its charges in accordance with any modifications which may be introduced in the matter of charges by international conventions subsequent to the Cairo Agreement of 1934.

The Postal Administration of the United Kingdom reserves the right to vary its territorial rates in accordance with any alterations of these charges which may be decided upon in connexion with its parcel post relations with other countries generally.

Article 5.

Sea Rate.

Each of the two Postal Administrations shall be entitled to fix the rate for any sea service which it provides.

Article 6.

Fee for Clearance through the Customs.

The Postal Administration of the Free City of Danzig may collect, in respect of delivery to the Customs and clearance through the Customs, or in respect of delivery to the Customs only, a fee not exceeding 50 centimes per parcel or such other charge as international conventions subsequent to the Cairo Agreement of 1934 shall fix. The Postal Administration of the United Kingdom may collect such fee as it may from time to time fix for similar services in its parcel post relations with other countries generally.

Article 7.

Customs and Other Non-postal Charges.

Customs charges and all other non-postal charges shall be paid by the addressees of parcels, except as provided otherwise in this Agreement.
Article 8.

Parcels for Delivery Free of Charge.

By making a declaration beforehand at the office of posting, the senders may undertake the payment of all charges due on the parcels on delivery.

In such cases the senders must undertake to pay the sums which may be claimed by the Administration of the country of destination, and, if necessary, to make adequate deposits.

The Administration which advances charges on behalf of the sender may collect for this service a commission not exceeding 50 centimes per parcel. This fee is distinct from that prescribed for Customs clearance in Article 6 above.

On a parcel sent under this arrangement and originating in the United Kingdom the Postal Administration of the United Kingdom shall be authorized to collect from the sender a special fee, not exceeding one shilling.

Article 9.

Warehousing Charge.

Each of the two Postal Administrations may collect any warehousing charge fixed by its legislation for a parcel which is addressed "Poste Restante" or which is not claimed within the prescribed period.

This charge shall in no case exceed 5 francs.

Article 10.

Express Parcels.

1. Parcels shall, at the request of the senders, be sent out for delivery by special messenger immediately after their arrival, or if the office of destination is not in a position to deliver parcels at the addressee's residence notices of arrival shall be sent out immediately by special messenger.

Such parcels, which shall be called "express" parcels, shall be subject, in addition to the ordinary postage, to a special charge of 80 centimes, which must be fully prepaid by the sender.

2. When the addressee's residence is situated outside the local delivery zone of the office of destination, the Postal Administration to which that office is subordinate may collect an additional charge up to the amount of the fee fixed for express delivery by its inland regulations less the equivalent of the fixed charge paid by the sender.

This additional charge shall be maintained in accordance with the provisions of Article 36, section 2, if the parcel is redirected or cannot be delivered.

3. Only one attempt shall be made to deliver by express to the addressee either the parcel itself, or the notice of its arrival. After an unsuccessful attempt, the parcel shall cease to be considered as an express parcel, and it shall be delivered under the conditions which apply to ordinary parcels.

Article 11.

Prohibitions.

1. Postal parcels must not contain any letter, note or document having the character of an actual and personal correspondence or packets of any kind bearing an address other than that of the addressee of the parcel or of persons dwelling with him.

It is, however, permissible to enclose in a parcel an open invoice confined to the particulars which constitute an invoice.
2. It is also forbidden to enclose in a parcel:
   (a) Articles which from their nature or packing may be a source of danger to the officers of the Post Office or may soil or damage other parcels;
   (b) Explosive, inflammable or dangerous substances (including loaded metal caps, live cartridges and matches);
   (c) Live animals (except bees, which must be enclosed in boxes so constructed as to avoid all danger to postal officers and to allow the contents to be ascertained);
   (d) Articles the admission of which is forbidden by law or by the Customs or other regulations;
   (e) Articles of an obscene or immoral nature.

It is moreover forbidden to send coin, platinum, gold or silver, whether manufactured or unmanufactured, precious stones, jewels, or other precious articles in uninsured parcels addressed to countries which admit insurance.

3. A parcel which has been wrongly admitted to the post shall be returned to the country of origin, unless the Postal Administration of the country of destination is authorized by its legislation to dispose of it otherwise.

Nevertheless, the fact that a parcel contains a letter or communications which constitute an actual or personal correspondence shall not, in any case, entail its return to the country of origin.

4. Explosive, inflammable or dangerous substances and articles of an obscene or immoral nature shall not be returned to the country of origin; they shall be disposed of by the Administration which has found them in the mails in accordance with its own internal regulations.

5. If a parcel wrongly admitted to the post is neither returned to origin nor delivered to the addressee the Administration of the country of origin shall be informed in a precise manner of the treatment accorded to the parcel in order that it may take such steps as are necessary.

**Article 12.**

**Advice of Delivery.**

The sender may obtain an advice of delivery for an insured parcel under the conditions prescribed for postal packets by the Parcel Post Agreement of the Universal Postal Union. An advice of delivery cannot be obtained for an uninsured parcel.

**Article 13.**

**Redirection.**

1. A parcel may be redirected in consequence of the addressee’s change of address in the country of destination. The Postal Administration of the country of destination may collect the redirection charge prescribed by its internal regulations. Similarly, a parcel may be redirected from one of the two countries which are Parties to this Agreement to another country provided that the parcel complies with the conditions required for its further conveyance and provided as a rule that the extra postage is prepaid at the time of redirection or documentary evidence is produced that the addressee will pay it.

2. Additional charges levied in respect of redirection and not paid by the addressee or his representative shall not be cancelled in case of further redirection or of return to origin, but shall be collected from the addressee or from the sender as the case may be, without prejudice to the payment of any special charges incurred which the Administration of the country of destination does not agree to cancel.
Article 14.
MISSSENT PARCELS.

Parcels received out of course, or wrongly allowed to be despatched, shall be re-transmitted or returned in accordance with the provisions of Article 28, sections 1 and 2, of the Detailed Regulations.

Article 15.
NON-DELIVERY.

1. The sender may request at the time of posting that, if the parcel cannot be delivered as addressed, it may be either (a) treated as abandoned, or (b) tendered for delivery at a second address in the country of destination. No other alternative is admissible. If the sender avails himself of this facility his request must appear on the Despatch Note and must be in conformity with, or analogous to, one of the following forms:

"If not deliverable as addressed, abandon."
"If not deliverable as addressed, deliver to............................................."

The same request must also be written on the cover of the parcel.

2. In the absence of a request by the sender to the contrary, a parcel which cannot be delivered shall be returned to the sender without previous notification and at his expense after retention for the period prescribed by the regulations of the Postal Administration of the country of destination.

Nevertheless, a parcel which is definitely refused by the addressee shall be returned immediately.

3. The charges due on returned undeliverable parcels shall be recovered in accordance with the provisions of Article 35.

Article 16.
CANCELLATION OF CUSTOMS CHARGES.

Both Parties to this Agreement undertake to urge their respective Customs Administrations to cancel Customs charges on parcels which are returned to the country of origin, abandoned by the senders, destroyed or redirected to a third country.

Article 17.
SALE. DESTRUCTION.

Articles in danger of deterioration or corruption, and these only, may be sold immediately, even when in transit on the outward or return journey, without previous notice or judicial formality. If for any reason a sale is impossible, the spoilt or putrid articles shall be destroyed.

Article 18.
ABANDONED PARCELS.

Parcels which cannot be delivered to the addressees and which the senders have abandoned shall not be returned by the Postal Administration of the country of destination, but shall be treated in accordance with its legislation. No claim shall be made by the Administration of the country of destination against the Administration of the country of origin in respect of such parcels.
Article 19.

ENQUIRIES.

1. A fee not exceeding 60 centimes may be charged for every enquiry concerning a parcel or a Trade Charge Money Order.
   No fee shall be charged if the sender has already paid the special fee for an Advice of Delivery.

The enquiry fee will be levied for every parcel even if the enquiry concerns several parcels posted at the same time by the same sender and destined for the same addressee.

2. Enquiries shall be admitted only within the period of one year from the day following the date of posting of the parcel. Each Administration is bound, however, to comply with simple requests for information received after this period from the other Administration concerning parcels posted not more than two years previously, provided that the relative records are still available.

3. When an enquiry is the outcome of an irregularity in the postal service, the enquiry fee shall be refunded.

Article 20.

TRADE CHARGE PARCELS. CHARGES AND CONDITIONS. SETTLEMENT.

1. Parcels subject to the collection of Trade Charges may be exchanged between the United Kingdom and the Free City of Danzig.
   The amount of the Trade Charge shall be expressed in the currency of the country in which the parcel originates.
   The maximum amount of a Trade Charge as regards parcels posted in the Free City of Danzig shall be fixed at 1,000 Danzig Gulden per parcel and as regards parcels posted in the United Kingdom at £40 per parcel. In calculating the amount of a Trade Charge a fraction of a penny or of a Danzig pfennig shall be ignored.
   The two Postal Administrations undertake to admit Trade Charge parcels in transit through their services. Nevertheless, the accounts relative to the Trade Charges collected shall be drawn up and settled directly between the Administrations of the countries of origin and of destination of the Trade Charge parcels.

2. Trade Charge parcels shall be subject to the formalities and to the charges prescribed for ordinary, or for insured parcels, as the case may be. In addition, the sender shall pay a special fee, which shall be fixed by the Administration of the country of origin and shall not exceed:

(a) 2½d. for each £r or fraction of £r of the Trade Charge in the case of a parcel posted in the United Kingdom;
(b) 15 pfennig for each 20 Danzig Gulden or fraction of 20 Danzig Gulden of the Trade Charge in the case of a parcel posted in the Free City of Danzig.

3. The amount of a Trade Charge collected shall be remitted by means of a Trade Charge Money Order, issued free of all charges.

4. In addition to the special fee fixed by virtue of paragraph 2, the Postal Administration of the United Kingdom shall be entitled to collect from the sender of a Trade Charge parcel posted in the United Kingdom a supplementary fee not exceeding 2d. for each parcel and from the addressee of each Trade Charge parcel delivered in the United Kingdom a supplementary fee not exceeding 4d. for each parcel, and the Postal Administration of the Free City of Danzig shall be entitled to collect from the sender of a Trade Charge parcel posted in the Free City of Danzig a supplementary fee not exceeding 50 Danzig pfennig for each parcel.
**Article 21.**

**Trade Charge Parcels. Responsibility for Loss, Abstraction or Damage.**

The two Postal Administrations shall be responsible under the conditions fixed by Articles 27 to 33 hereafter for the loss of a Trade Charge parcel and for the abstraction of or damage to its contents.

**Article 22.**

**Compensation in Case of Failure to Collect, or of Insufficient or Fraudulent Collection of Trade Charge.**

If the parcel has been delivered to the addressee without the collection of the Trade Charge the sender shall be entitled to compensation provided that an enquiry has been made within the period prescribed by Article 19 and that the failure to collect the charge is not due to fault or negligence on his part. The same rule shall apply if the amount collected from the addressee is less than the amount of the Trade Charge or if the collection of the amount has been made fraudulently.

The compensation shall not, in any case, exceed the amount of the Trade Charge.

By paying compensation the Postal Administration concerned takes over the rights of the sender to the extent of the amount paid in any action which may be taken against the addressee or against a third party.

**Article 23.**

**Fixing of Responsibility in respect of Trade Charges.**

The payment by the Postal Administration of the country of origin of the amounts duly collected shall be made on behalf of the Administration of the country of destination. Similarly, payment of compensation shall be made on behalf of the Postal Administration of the country of destination if the latter is responsible.

After the delivery of a parcel the Administration of the country of destination is responsible for the amount of the Trade Charge unless it can prove that the fault is due to a breach of the regulations by the Administration of the country of origin or can establish that, when handed over to its service, the parcel or the relative Despatch Note did not bear the particulars prescribed by the Detailed Regulations for Trade Charge parcels.

The Administration of the country of destination shall be bound to repay under the conditions prescribed by Article 33 the sum which has been advanced by the Administration of the country of origin.

**Article 24.**

**Trade Charge Money Orders.**

The amount of a Trade Charge Money Order which for any reason whatever cannot be paid to the payee shall not be repaid to the Postal Administration to which the office issuing the Money Order is subordinate. It shall be held at the disposal of the payee by the Administration of the country of origin of the Trade Charge parcel and shall accrue definitely to that Administration at the end of the legal period of validity.

In all other respects, and subject to the reservations specified in the Detailed Regulations, Trade Charge Money Orders shall be subject to the rules of the Money Order Agreement between the two Administrations.

**Article 25.**

**Insured Parcels. Rates and Conditions.**

1. Parcels may be insured up to a limit of 10,000 francs subject to any lower limit which may be in force in the intermediate countries through which the parcels are forwarded.
2. An insurance fee, to be fixed by the Postal Administration of the country of origin, shall be charged for each 300 francs or part thereof of the insured value.

3. The Administration of the country of origin shall be entitled also to collect from the sender of an insured parcel a despatch fee not exceeding 50 centimes.

4. The sender of an insured parcel shall receive without charge, at the time of posting, a receipt for his parcel.

Article 26.

Fraudulent Insurance.

The insured value may not exceed the actual value of the contents of the parcel and the packing, but it is permitted to insure only part of this value.

The fraudulent insurance of a parcel for a sum exceeding the actual value shall be subject to any legal proceedings which may be admitted by the laws of the country of origin.

A parcel of which the contents have no pecuniary value may, however, be insured for a nominal sum in order to obtain the safeguards of the insurance system.

Article 27.

Responsibility for Loss, Damage or Abstraction.

1. Except in the cases mentioned in the following Article, the two Postal Administrations shall be responsible for the loss of parcels and for the loss, damage or abstraction of their contents or of a part thereof.

The sender is entitled under this head to compensation corresponding to the actual amount of the loss, damage or abstraction. For uninsured parcels the amount of compensation shall not exceed 10 francs for a parcel not exceeding one kilogramme (2 lb.), 25 francs for a parcel exceeding one kilogramme but not exceeding five kilogrammes (11 lb.) and 40 francs for a parcel exceeding five kilogrammes in weight. For an insured parcel the amount of compensation shall not exceed the amount for which it was insured.

In cases where the loss, damage or abstraction occurs in the service of the country of destination, the Administration of the country of destination may pay compensation to the addressee at its own expense and without consulting the Administration of the country of origin, provided that the addressee can prove that the sender has waived his rights in the addressee’s favour.

2. In calculating the amount of compensation indirect loss or loss of profits shall not be taken into consideration.

3. Compensation shall be calculated on the current price of goods of the same nature at the place and time at which the goods were accepted for transmission.

4. Where compensation is due for the loss, destruction or complete damage of a parcel or for the abstraction of the whole of the contents, the sender is entitled to the return of the postage also.

5. In all cases insurance fees and, if the case arises, the despatch fee shall be retained by the Postal Administrations concerned.

Article 28.

Exceptions to the Principle of Responsibility.

The two Postal Administrations shall be relieved of all responsibility:

(a) In cases beyond control (force majeure);
(b) When they are unable to account for parcels in consequence of the destruction of official documents through a cause beyond control (force majeure);
(c) When the damage has been caused by the fault or negligence of the sender, or when it arises from the nature of the article;
(d) For parcels of which the contents fall under the ban of one of the prohibitions mentioned in Article 11;
(e) For parcels which have been fraudulently insured for a sum exceeding the actual value of the contents and packing;
(f) In respect of parcels regarding which the sender has not made enquiry within the period prescribed by Article 19;
(g) In respect of any parcels containing precious stones, jewellery or any article of gold, silver or platinum exceeding 2,500 francs in value not packed in a box of the size prescribed by Article 6, section 3, of the Detailed Regulations.

Article 29.

Termination of Responsibility.

The two Postal Administrations shall cease to be responsible for parcels which have been delivered in accordance with their internal regulations and of which the owners or their agents have accepted delivery without reservation.

Article 30.

Payment of Compensation.

The payment of compensation shall be undertaken by the Postal Administration of the country of origin except in the cases indicated in Article 27, section 1, where payment is made by the Postal Administration of the country of destination. The Administration of the country of origin may, however, after obtaining the sender’s consent, authorize the Administration of the country of destination to settle with the addressee. The paying Administration retains the right to make a claim against the Administration responsible.

Article 31.

Period of Payment of Compensation.

1. Compensation shall be paid as soon as possible and, at the latest, within one year from the day following the date of the enquiry.

2. The Postal Administration of the country of origin is authorized to settle with the sender on behalf of the other Administration if the latter, after being duly informed of the application, has let six months pass without giving a decision in the matter.

3. The Administration of the country of origin may, exceptionally, postpone the settlement of compensation beyond the period of one year when a decision has not been reached on the question whether the loss, damage or abstraction is due to a cause beyond control.

Article 32.

Incidence of Cost of Compensation.

1. Until the contrary is proved responsibility shall rest with the Postal Administration which, having received the parcel from the other Administration without making any reservation, and having been furnished with all the particulars for investigation prescribed by the regulations, cannot establish either proper delivery to the addressee or his agent, or regular transfer to the following Postal Administration as the case may be.

2. If in the case of a parcel despatched from one of the two countries for delivery in the other, the loss, damage or abstraction has occurred in course of conveyance without it being possible to prove in the service of which country the irregularity took place the two Administrations shall bear in equal shares the amount of compensation.
3. The same principle shall, as far as possible, be applied when other Administrations are concerned in the conveyance of a parcel. Nevertheless, in the case of parcels sent in transit from one of the two countries through the other neither of the two Administrations shall be held responsible when the loss, damage or abstraction has taken place in a service in which responsibility is not accepted.

4. Customs and other charges which it has not been possible to cancel shall be borne by the Administrations responsible for the loss, damage or abstraction.

5. By paying compensation the Administration concerned takes over, to the extent of the amount paid, the rights of the person who has received compensation in any action which may be taken against the addressee, the sender, or a third party.

If a parcel which has been regarded as lost is subsequently found, in whole or in part, the person to whom compensation has been paid shall be informed that he is at liberty to take possession of the parcel against repayment of the amount paid as compensation.

Article 33.

Repayment of the Compensation to the Postal Administration of the Country of Origin.

The Administration responsible or on whose account the payment is made in accordance with Article 30 is bound to repay the amount of the compensation within a period of three months after notification of payment. The amount shall be recovered from the Administration responsible through the accounts provided for in Article 34, section 2, of the Detailed Regulations.

The Administration of which the responsibility is duly proved and which has originally declined to pay compensation is bound to bear all the additional charges resulting from the unwarranted delay in payment.

Article 34.

Credits for Conveyance.

For each parcel despatched from one of the two countries for delivery in the other the despatching office shall allow to the office of destination the rates which accrue to it by virtue of the provisions of Articles 4 and 5.

For each parcel despatched from one of the two countries in transit through the other the despatching office shall allow to the other office the rates due for the conveyance and insurance of the parcel.

Article 35.

Claims in Case of Redirection or Return.

In the case of the redirection or of the return of a parcel from one country to the other, the re-transmitting Administration shall claim from the other Administration the charges due to it and to any other Administration taking part in the redirection or return. The claim shall be made on the Parcel Bill relating to the mail in which the parcel is forwarded.

Article 36.

Express Delivery Fees, Special and Additional.

1. The special charge for express delivery prescribed by Article 10, section 1, shall be included in the sums credited to the Administration of the country of destination.
When an express parcel is redirected to another country before an attempt has been made to deliver it, this charge shall be credited to the Postal Administration of the new country of destination. If the latter does not undertake express delivery, the credit is retained by the Administration of the country to which the parcel was first addressed; the same applies when an express parcel cannot be delivered.

2. In case of the redirection or of the return to the country of origin of an express parcel, the additional charge prescribed by Article 10, section 2, shall be claimed from the Administration of the country in which the new destination is situated or from the Administration of the country of origin, as the case may be, by the Administration which has attempted delivery in the manner indicated in Article 35, unless this charge was paid when the parcel was presented at the addressee's residence.

Article 37.

CHARGE FOR REDIRECTION IN THE COUNTRY OF DESTINATION.

In case of further redirection or of return to the country of origin, the redirection charge prescribed by Article 13, section 2, shall accrue to the country which redirected the parcel within its own territory.

Article 38.

MISCELLANEOUS FEES.

1. The following fees shall be retained in full by the Postal Administration which has collected them:

(a) The special fee referred to in Article 8, fourth paragraph;
(b) The fee for Advice of Delivery referred to in Article 12;
(c) The enquiry fee referred to in Article 19, section 1;
(d) The supplementary fee for a Trade Charge parcel referred to in Article 20, section 4;
(e) The despatch fee for an insured parcel referred to in Article 25, section 3.

2. The fee for Customs clearance referred to in Article 6 shall be retained by the Administration of the country of destination. The commission referred to in Article 8, third paragraph, may be claimed by the same Administration.

Article 39.

TRADE CHARGE FEE.

The fee mentioned in Article 20, section 2, shall be shared between the Postal Administration of the country of origin and that of the country of destination, as provided for in Article 36, section 2, of the Detailed Regulations.

Article 40.

INSURANCE FEE.

In respect of insured parcels the Postal Administration of the country of origin shall allow to the Postal Administration of the country of destination for territorial service a rate of 5 centimes for each 300 francs of insured value or fraction thereof. If the Administration of the country of destination provides the sea service, the Administration of the country of origin shall allow an additional rate of 10 centimes for each 300 francs of insured value or fraction thereof.

Article 41.

MISCELLANEOUS PROVISIONS.

1. The francs and centimes mentioned in this Agreement are gold francs and centimes as defined in the Postal Union Convention.
2. Parcels shall not be subjected to any postal charges other than those contemplated in this Agreement, except by mutual consent of the two Postal Administrations.

3. In extraordinary circumstances, either Administration may temporarily suspend the Parcel Post, either entirely or partially, on condition of giving immediate notice, if necessary by telegraph, to the other Administration.

4. The two Administrations have drawn up the following Detailed Regulations for ensuring the execution of the present Agreement. Further matters of detail, not inconsistent with the general provisions of this Agreement and not provided for in the Detailed Regulations may be arranged from time to time by mutual consent.

5. The internal legislation of the United Kingdom and the Free City of Danzig shall remain applicable as regards everything not provided for by the stipulations contained in the present Agreement and in the Detailed Regulations for its execution.

Article 42.

Entry into Force and Duration of the Agreement.

This Agreement shall come into operation on the 1st of February, 1937, and shall remain in force until the expiration of one year from the date on which it may have been denounced by either of the two Administrations.

In witness whereof the undersigned, duly authorized for that purpose, have signed the present Agreement, and have affixed their seals thereto.

Done in duplicate at London the 18th day of December, 1936, and at Danzig the 13th day of January, 1937.

The bags belonging to the British Post Office shall be returned empty to the United Kingdom made up in bundles of ten (nine bags enclosed in one) and despatched as a separate mail addressed to such Office of Exchange as the Postal Administration of the United Kingdom shall appoint. Article 5.
MAKE-UP OF PARCELS.

(a) Bear the exact address of the addressee in Roman characters. Addresses in pencil shall not be allowed, provided that parcels bearing addresses written with copying-ink pencil on a surface previously damped shall be accepted. The sender of a parcel shall be advised to enclose in the parcel a copy of the address together with a note of his own address;

Articles liable to injure officers of the Post Office or to damage other parcels shall be so packed as to prevent any risk.

Between the first receptacle (bottle, flask, pot, box, etc.) and the second (box of metal or of stout wood) shall be left a space which shall be filled with sawdust, bran or some other absorbent material in sufficient quantity to absorb all the liquid contents in the case of breakage.

2. Dry colouring powders, such as aniline, etc., shall be admitted only if enclosed in stout metal boxes placed inside wooden boxes with sawdust between the two receptacles.

This form shall be attached to the Despatch Note and shall bear a statement of the amount of the Trade Charge in the currency of the country of origin of the parcel and should show, as a general rule, the sender of the parcel as the payee of the Money Order. Each Postal Administration is free to have the Money Orders relating to parcels originating in its service addressed to the offices of origin of the parcels or to other offices. In this case, the parcel shall be accompanied by the Trade Charge Money Order form prepared by the office of origin. The new office of destination shall act in the settlement of the Trade Charge as if the parcel had been directly consigned to it in the first instance.

2. In the case of an application for redirection to a country which does not maintain an exchange of Trade Charge parcels with the country of origin, the parcel shall be treated as undeliverable.

These authorities to pay shall be drawn up by the Administration which collected the Trade Charges as soon as it has been able to ascertain that the original Orders have not been paid within the period of validity and shall be receipted by the other Administration which shall claim the amounts due in the first account rendered after their receipt.

4. The Administration issuing a Trade Charge Money Order shall notify the other Administration if the order is not claimed within the period of validity.

5. A Trade Charge Money Order of which payment cannot be effected in consequence of any irregularity in completion by the office of destination of the parcel shall be returned as soon as possible to that office, officially registered, for correction.

Every insured parcel posted in the United Kingdom and its Despatch Note as well shall bear a small red label with the indication "Insured" or "Valeur Déclarée" in Roman characters.
Insured parcels posted in the Free City of Danzig and the relative Despatch Notes shall bear labels with the letter “V”, the name of the office of origin and the serial number in red colour.

When a parcel contains coin, bullion or other precious objects, the wax or other seals, the labels of whatever kind and any postage stamps affixed to it shall be so spaced that they cannot conceal injuries to the cover. Moreover, the labels and postage stamps, if any, shall not be folded over two sides of the cover so as to hide the edge.

The address shall be written on the cover of an insured parcel, not merely on the label.

Article 22.

Sealing of Insured Parcels.

Every insured parcel shall be sealed by means of wax or by lead or other seals, with some special uniform design or mark of the sender, the seals being sufficient in number to render it impossible to tamper with the contents without leaving an obvious trace of violation.

Article 23.

Indication of Weight of Insured Parcels.

The exact weight in grammes of each insured parcel shall be entered by the Postal Administration of the country of origin:

(a) On the address side of the parcel;
(b) On the Despatch Note, in the place reserved for this purpose.

Article 24.

Serial Number and Place of Posting.

return the latter, accompanied by the relative vouchers, if any, in a sealed envelope, without any indication of the contents, to the office specified on the front of the Franking Note.

2. When a parcel which bears the label "Franc de droits" reaches the service of the country of destination without a Franking Note, the office which undertakes the Customs clearance shall prepare a duplicate Franking Note, taking care to substitute the name of the country of origin of the parcel for that shown on the Franking Note and to indicate if possible the date of posting of the parcel. When the Franking Note is lost after the delivery of the parcel a duplicate shall be prepared under the same conditions.

3. Franking Notes relating to parcels which, for any reason whatsoever, are returned to the country of origin and of which Customs clearance has not been effected by the Administration of the country of destination must be cancelled by the office which returns the parcels.

On receipt of a Franking Note showing the charges disbursed by the Administration of the country of destination, the Administration of the country of origin shall convert the amount of these charges into its own currency at a rate which it fixes itself, and which may not exceed the rate fixed for the issue of Money Orders for payment in the country in question. The result of the conversion shall be shown in the body of the form and shall be supported by the signature of the officer who made the conversion.

Article 28.

Re-transmission.

1. The Postal Administration re-transmitting a missent parcel shall not levy Customs or other non-postal charges upon it.

When an Administration returns such a parcel to the country from which it has been directly received, it shall refund the credits received and report the error by means of a Verification Note.

In other cases, and if the amount credited to it is insufficient to cover the expenses of re-transmission which it has to defray, the re-transmitting Administration shall allow to the Administration to which it forwards the parcel the credits due for onward conveyance; it shall then recover the amount of the deficiency by claiming it from the Office of Exchange from which the missent parcel was directly received. The reason for this claim shall be notified to the latter by means of a Verification Note.

2. When a parcel has been wrongly allowed to be despatched in consequence of an error attributable to the postal service and has, for this reason, to be returned to the country of origin, the Administration which sends the parcel back shall allow to the Administration from which it was received the sums credited in respect of it.

3. The charges on a parcel redirected, in consequence of the removal of the addressee or of an error on the part of the sender, to a country with which the United Kingdom or the Free City of Danzig has parcel post communication shall be claimed from the Administration to which the parcel is forwarded, unless the charge for conveyance is paid at the time of redirection, in which case the parcel shall be dealt with as if it had been addressed directly from the re-transmitting country to the new country of destination.

4. A parcel which is redirected shall be re-transmitted in its original packing and shall be accompanied by the original Despatch Note. If the parcel, for any reason whatsoever, has to be repacked, or if the original Despatch Note has to be replaced by a substitute Note, the name of the office of origin of the parcel and the original serial number and, if possible, the date of posting at that office shall be entered both on the parcel and on the Despatch Note.

Article 29.

Return of Undeliverable Parcels.

1. If the sender of an undeliverable parcel has made a request not provided for by Article 15, section 1, of the Agreement, the Postal Administration of the country of destination need not
comply with it but may return the parcel to the country of origin, after retention for the period prescribed by the regulations of the country of destination.

2. The Administration which returns a parcel to the sender shall indicate clearly and concisely on the parcel and on the relative Despatch Note the cause of non-delivery. This information may be furnished in manuscript or by means of a stamped impression or a label. The original Despatch Note belonging to the returned parcel must be sent back to the country of origin with the parcel.

3. A parcel to be returned to the sender shall be entered on the Parcel Bill with the word "Rebut" in the "Observations" column. It shall be dealt with and charged like a parcel redirected in consequence of the removal of the addressee.

Article 30.

Sale. Destruction.

1. When a parcel has been sold or destroyed in accordance with the provisions of Article 17 of the Agreement, a report of the sale or destruction shall be prepared.

2. The proceeds of the sale shall be used in the first place to defray the charges upon the parcel. Any balance which there may be shall be forwarded to the Postal Administration of the country of origin for payment to the sender, on whom the cost of forwarding it shall fall.

Article 31.

Enquiries concerning Parcels or Trade Charge Money Orders.

For enquiries concerning parcels, or Trade Charge Money Orders which have not been returned, a form shall be used similar to the specimen annexed to the Detailed Regulations of the Parcel Post Agreement of the Universal Postal Union. 1. Insured, Trade Charge, returned and unpaid redirected parcels shall be entered individually by the despatching Office of Exchange on a Parcel Bill. The advice of other parcels, except transit parcels, shall consist of a statement of the numbers of parcels at the several steps of the weight scale, a note being made on the Bills of the number of express parcels and parcels to be delivered free of charge. Transit parcels shall be entered individually provided that two or more transit parcels, addressed to the same country for which the same amount of credit has to be allowed, may be entered in bulk. The Despatch Notes, Customs Declarations, Franking Notes, Advices of Delivery, Trade Charge Money Order Forms, etc., shall be forwarded with the Parcel Bill.

2. Each despatching Office of Exchange shall number the Parcel Bills in the top left-hand corner in an annual series for each Office of Exchange of destination, and as far as possible shall enter below the number the name of the ship conveying the mail. A note of the last number of the year shall be made on the first Parcel Bill of the following year.

Article 33.

Check by Offices of Exchange. Notification of Irregularities.

1. On the receipt of a mail, whether of parcels or of empty bags, the Office of Exchange shall check the parcels and the various documents which accompany them, or the empty bags
as the case may be, against the particulars entered in the relative Parcel Bill, and, if necessary, shall report missing articles or other irregularities by means of a Verification Note.

2. Errors in the credits allowed in respect of transit parcels shall be notified to the despatching Offices of Exchange by Verification Notes. The adjustment of other errors in credits and accounting shall be arranged in connection with the preparation of the quarterly statements specified in Article 34 below.

**Article 34.**

**ACCOUNTING FOR CREDITS.**

1. Each Postal Administration shall prepare quarterly for all the parcel mails despatched during the quarter by each of the Offices of Exchange of the other Administration a statement of the total amounts due in respect of the mails, whether to its credit or to its debit.

2. These statements shall be afterwards summarized by the same Administration in an account, which, accompanied by the quarterly statements, shall be forwarded to the corresponding Administration in the course of the month following the quarter to which it relates.

3. The quarterly statements and accounts shall be checked and accepted by the corresponding Administration by reference to the copies of the Parcel Bills which it retains and shall be summarized in an annual general account prepared by the Administration to which the balance is due.

**Article 35.**

**SETTLEMENT OF ACCOUNTS.**

1. Payment of the balance of the account shall be made by the debtor to the creditor Postal Administration in the manner prescribed by the Convention of the Postal Union for the liquidation of the balance of transit accounts.

2. The preparation and transmission of a general account and the payment of the balance of that account shall be effected as early as possible and, at the latest, within a period of three months from the end of the period to which the account relates. After the expiration of this term the sums due from one Administration to the other shall bear interest at the rate of 5 per cent. per annum to be reckoned from the date of expiration of the said term.

The Administration which has prepared the account shall deduct from the total sum of its credit one-half of one per cent. ($\frac{1}{2}\%$) of this total, representing the allowance to the other Administration specified in Article 39 of the Agreement.

The verification of this account shall be effected in accordance with the provisions of the Money Order Agreement between the two Administrations.

3. The totals of the Trade Charge account shall be included in and settled as part of the general account in respect of Money Orders for the same period.
