In order to enable effect to be given to the agreements concluded between Belgium and the Grand Duchy of Luxemburg for the prevention of double taxation, the undersigned representatives of the Belgian Government and of the Luxemburg Government, duly authorised for that purpose, have agreed on the following provisions concerning the treatment of frontier workers of Belgian or Luxemburg nationality:

1. For the purposes of the present Arrangement, Belgian or Luxemburg nationals who, while continuing to reside in the frontier zone of either country, whither as a rule they return every day, go to work in industrial, commercial or agricultural establishments situated in the frontier zone of the other country shall be deemed to be frontier workers.

The present Arrangement shall not apply to the following categories of persons who may, therefore, not be given the frontier worker's card referred to in No. 3 hereunder:

(a) Persons who as managing directors, managers, directors, or in any other similar capacity are at the head of the ordinary management of an undertaking;
(b) Technical directors, commercial directors, engineers, chemists, actuaries.

2. For the purposes of the present Arrangement, the Belgian frontier zone shall include the provinces of Luxemburg and Liège.

The Grand Ducal frontier zone shall include the whole of Luxemburg territory.

3. Frontier workers of Belgian or Luxemburg nationality residing in Belgium shall have issued to them by the communal authorities of their place of residence a frontier card valid for two years in conformity with the model annexed hereto.

The Luxemburg Government may make the use of this card conditional on its being countersigned by the authority designated by the said Government for that purpose.

Luxemburg or Belgian frontier workers residing in the Grand Duchy who desire to be allowed to work in an establishment in the Belgian frontier zone must have their Luxemburg card of identity endorsed by the communal authorities of the place in which they work with the words "frontier worker", attested by the seal of the commune. This document, thus completed, shall take the place of the frontier card.

4. No dues or taxes may be levied in respect of the issue of the frontier card or the affixing thereto of the visa or seal of the commune.

5. These regulations shall come into force on April 1st, 1938.

Done in duplicate at Brussels, this 22nd day of July, 1938.
