2049 (XX). Establishment of the Ad Hoc Committee of Experts to Examine the Finances of the United Nations and the Specialized Agencies

The General Assembly,

Considering that, because of the financial difficulties of the United Nations and the many and varied measures taken to overcome them, Member States should have available to them information giving a clear and accurate picture of the financial situation of the Organization, including in particular a detailed description of its commitments,

Considering that, independently of the problems created by certain peace-keeping operations which affect the finances of the United Nations, the magnitude of the amounts henceforth placed at the disposal of the Organization, the specialized agencies and the International Atomic Energy Agency, either under their regular budgets or in the form of funds constituted from voluntary contributions, requires a detailed examination of the procedures for preparing and approving the budgets and a review of the procedures for controlling the execution thereof,

Considering that, without encroaching on the autonomy of the specialized agencies, the General Assembly is competent, under Article 17, paragraph 3, of the Charter of the United Nations and under the agreements concluded between the United Nations, on the one hand, and the specialized agencies and the International Atomic Energy Agency, on the other, to carry out an over-all examination of the budgets of the United Nations and the agencies, with particular reference to:
