the reports of the Economic and Social Council;
2. Expresses its appreciation to Governments for
the information so far received by the Secretary-General;

4. Requests the Secretary-General to continue to
inform the General Assembly and the Economic and
Social Council of the national studies submitted to him

2094 (XX). United Nations Development Programme

The General Assembly,
Recalling its resolution 1715 (XVI) of 19 December
1961 in which it set a target of $150 million for contri-
butions to the Expanded Programme of Technical
Assistance and the Special Fund for 1962, and its reso-
lution 1833 (XVII) of 18 December 1962 in which
it agreed to consider new targets for these programmes
at its nineteenth session,

Considering that at the mid-point of the United
Nations Development Decade the rate of economic and
social progress in the developing countries is still far
from satisfactory,

Recalling the statement by the Secretary-General that
the target for the two programmes should be raised
to $200 million,\(^48\)

Having noted the statements by the Executive Chair-
man of the Technical Assistance Board\(^44\) and the
Managing Director of the Special Fund\(^45\) to the effect
that only with additional funds can the pressing needs of
the developing countries be met effectively,

Having also noted with appreciation that at the
United Nations Pledging Conference on the Expanded
Programme of Technical Assistance and the Special
Fund, held on 2 November 1965, a number of Govern-
ments announced increases in contributions to the two
programmes, with the result that total contributions are
now expected to reach about $155 million,

Requests States Members of the United Nations
and members of the specialized agencies to review their
contributions to the support of the work of the United
Nations Development Programme, so that its annual
financial resources may reach the target of $200 million
in the near future.

1404th plenary meeting,
20 December 1965.
