1501st plenary meeting,

2241 (XXI). Composition of the Secretariat

A

The General Assembly,

Bearing in mind the considerable changes which have
occurred in the membership of the United Nations and
the specialized agencies,

Recalling the provisions of Articles 100 and 101 of
the Charter of the United Nations,

Recalling further its resolution 1928 (XVIII) of 11
December 1963 on this question,

Noting that in the determination of the recruitment
priorities the Secretary-General bears in mind the
need for a more equitable distribution of staff among
the Member States within the various regions, in
particular at the levels of senior posts,

Noting with satisfaction the efforts already made by
the Secretary-General to improve the geographical dis-
tribution of posts in the Secretariat and mentioned in
his report on the composition of the Secretariat,28

Considering nevertheless that arrangements should
be made to ensure an even more equitable distribu-
tion of posts,

Recognizing the need for a large proportion of
permanent contracts and fixed-term contracts of longer
duration to ensure the stability and efficient operation
of the Secretariat, and noting the statement of the
Secretary-General in paragraph 14 of his report,

28 Official Records of the General Assembly, Twenty-first
Session, Annexes, agenda item 81, document A/6487.

1. Believes that, as a temporary measure and under
the existing conditions, increased recruitment on the
basis of fixed-term contracts, especially in the case of
developing countries, might help to achieve a balanced
geographical distribution;

2. Invites the Secretary-General to give preference
to candidates from inadequately represented countries;

3. Requests the Secretary-General to study the
question of determining the desirable ranges of posts
for individual countries, taking into account the level
of appointment together with the number of posts;

4. Further invites the Secretary-General, in his
capacity as Chairman of the Administrative Committee
on Co-ordination, to draw the attention of the competent
authorities of the specialized agencies to this problem
at a forthcoming session of that Committee;

5. Requests the Secretary-General to take the present
resolution into account in his future reports on the
composition of the Secretariat.

1501st plenary meeting,
20 December 1966.

B

The General Assembly,

Bearing in mind rule 51 of the rules of procedure of
the General Assembly,

Noting the statement by the Secretary-General in
paragraph 3 of his report on the composition of the
Secretariat,28

Recognizing the limitations in regard to the recruit-
ment of staff which result from language considera-
tions,

Requests the Secretary-General to study the methods
which should be used to ensure a more equitable use
of the working languages of the Organization and a
better balance among those languages in the recruit-
ment of staff at all levels, and in particular at the higher
levels, of the Secretariat, and to include his conclusions
on this question in his future reports.

1501st plenary meeting,
20 December 1966.
