2. Authorizes the Secretary-General to meet the cost of actual requirements over the appropriation of $15 million, and within the amount of $16,146,000, by the use of the surplus account of the United Nations Emergency Force.

1495th plenary meeting, 16 December 1966.

B

The General Assembly,

Having considered the report of the Secretary-General on the cost estimates of the United Nations Emergency Force for the period from 1 January to 31 December 1967 and the report of the Advisory Committee on Administrative and Budgetary Questions thereon, 20

Expressing the hope that the ad hoc arrangements provided in the present resolution will not need to be repeated in future years and that the General Assembly will be able to reach agreement on an acceptable method for the equitable sharing of the cost of peacekeeping operations involving heavy expenditure, taking into account the principles affirmed as guidelines by the Assembly in its resolution 1874 (S-IV) of 27 June 1963,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards peacekeeping operations involving heavy expenditures,

1. Decides to appropriate an amount of $14 million for the operation of the United Nations Emergency Force for 1967;

2. Decides, as an ad hoc arrangement, without prejudice to the positions of principle which may be taken by Member States in any consideration by the General Assembly of arrangements for the financing of peacekeeping operations:

(a) To apportion an amount of $740,000 for 1967 among the economically less developed Member States in the proportions determined by the scale of assessments for 1967;

(b) To apportion an amount of $13,260,000 for 1967 among the economically developed Member States in the proportions determined by the scale of assessments for 1967, plus—in order to meet reserve requirements—an additional amount from each contributor in this group equal to 25 per cent of its apportionment, such additional contributions to be reimbursable on a pro rata basis when the General Assembly shall determine that all or part of these additional contributions are no longer needed;

3. Calls upon States members of the specialized agencies and of the International Atomic Energy Agency which are not Members of the United Nations to make contributions appropriate to their circumstances;

4. Decides that the contributions called for in paragraph 2 above may be made by a Member State, at its option, in the form of services and supplies acceptable to the Secretary-General, furnished for use in connexion with the United Nations Emergency Force during the period from 1 January to 31 December 1967, for which the Member State does not require reimbursement, the Member State to be credited with the fair value thereof as agreed upon by the Member State and by the Secretary-General;

5. Decides that, for the purpose of the present resolution, the term “economically less developed Member States” shall mean all Member States except Australia, Austria, Belgium, the Byelorussian Soviet Socialist Republic, Canada, Czechoslovakia, Denmark, Finland, France, Hungary, Iceland, Ireland, Italy, Japan, Luxembourg, the Netherlands, New Zealand, Norway, Poland, Romania, South Africa, Sweden, the Ukrainian Soviet Socialist Republic, the Union of Soviet Socialist Republics, the United Kingdom of Great Britain and Northern Ireland and the United States of America.

2196 (XXI). Audit reports relating to expenditure by specialized agencies and the International Atomic Energy Agency

A

The General Assembly

Takes note of the audit reports relating to expenditure by specialized agencies and by the International Atomic Energy Agency of technical assistance funds allocated from the Special Account, for the financial year ended 31 December 1965, and of the observations thereon of the Advisory Committee on Administrative and Budgetary Questions as set forth in its twenty-eighth report to the General Assembly at its twenty-first session.

1495th plenary meeting, 16 December 1966.

B

The General Assembly

Takes note of the audit reports relating to expenditure by specialized agencies, acting as executing agencies, of funds earmarked from the Special Fund, for the financial year ended 31 December 1965 and of the observations thereon of the Advisory Committee on Administrative and Budgetary Questions as set forth in its twenty-ninth report to the General Assembly at its twenty-first session.

1495th plenary meeting, 16 December 1966.

2239 (XXI). Pattern of conferences

The General Assembly,

Recalling its resolutions 1202 (XII) of 13 December 1957, 1851 (XVII) of 19 December 1962, 1987 (XVIII) of 17 December 1963 and 2116 (XX) of 21 December 1965,

Recognizing that the unique forum provided to Member States by meetings and conferences is essential in furthering the work of the United Nations,

Mindful of the concern expressed by Member States and the Secretary-General at the recent proliferation in the number of meetings, conferences and related documents,

Convinced of the need to achieve a proper balance each year between the calendar of meetings and conferences desired by Member States and the resources, both human and material, available to the Organization for this purpose,

Noting that, under the Charter of the United Nations, the Financial Regulations of the Organization and the rules of procedure of the General Assembly, final approval of the annual calendar of meetings and conferences rests with the General Assembly, and responsibility for the organization of the calendar rests with the Secretary-General in his capacity as chief administrative officer of the Organization,

Bearing in mind the observations and recommendations of the Ad Hoc Committee of Experts to Examine the Finances of the United Nations and the Specialized Agencies contained in chapter IX of its second report, subsequently approved by the General Assembly in resolution 2130 (XXI) of 4 November 1966,

Bearing in mind also the fact that the Special Committee on Co-ordination of the Economic and Social Council has suggested in its report the establishment of a committee of the General Assembly to deal with the calendar of meetings, and that this proposal has been endorsed by both the Advisory Committee on Administrative and Budgetary Questions and the Secretary-General,

1. Decides to establish, on an experimental basis subject to review by the General Assembly at its twenty-
