The General Assembly,

Recalling its resolution 2349 (XXII) of 19 December 1967 by which the special educational and training programmes for South West Africa, the special training programme for Territories under Portuguese administration and the educational and training programme for South Africans were consolidated and integrated, and its resolution 2431 (XXIII) of 18 December 1968 by which, *inter alia*, the General Assembly requested the Secretary-General to establish an advisory committee of Member States to assist him, among other things, in strengthening and expanding the United Nations Educational and Training Programme for Southern Africa,
