### 3049 (XXVII). The financial situation of the United Nations

#### A

*The General Assembly,*

*Recalling* that the consensus adopted by the General Assembly at its nineteenth session<sup>58</sup> states that the financial difficulties of the Organization should be solved through voluntary contributions by Member States,

*Recalling* the urgent appeal by the Secretary-General at the 1331st plenary meeting of the General Assembly, on 1 September 1965, that voluntary contributions be so made and recalling that, subsequently, the Secretary-General established the United Nations Special Account, into which substantial voluntary contributions were received and credited,

*Conscious* of the background against which the Special Committee on the Financial Situation of the United Nations was established, namely, the growing recognition that the finances of the United Nations must be placed on a sound footing and that more than a

decade had elapsed without that desired objective having been achieved,

*Taking note* of the report of the Special Committee on the Financial Situation of the United Nations,<sup>59</sup> especially paragraph 11, in which the Special Committee requested the Secretary-General to ask Member States to review their payments pattern with a view to paying future contributions on time, and paragraph 19, which states that there was general agreement in the Special Committee that the major part of the deficit could be eliminated only by voluntary contributions from Member States or by the cancellation of obligations included within the short-term deficit,

1. *Urges* all Member States to review their payments pattern on contributions to the regular budget of the United Nations with a view to paying future contributions on time;

2. *Requests* the Secretary-General to solicit suggestions from Member States for amendments to the Financial Regulations of the United Nations or to other instructions and procedures, which would have as their objective the achieving of a steady and timely cash flow in the payment of assessed contributions to the Organization, and to submit a report thereon for consideration by the General Assembly at its twenty-eighth session;

3. *Requests* the Secretary-General to establish a special account under regulation 6.6 of the Financial Regulations into which voluntary contributions may be paid and used for the purpose of clearing up the past financial difficulties of the United Nations and especially for resolving the short-term deficit of the Organization referred to in the report of the Special Committee on the Financial Situation of the United Nations, and to merge into this account the United Nations Special Account referred to above;

4. *Requests* all Member States and invites non-member States, as a matter of urgency, to make voluntary contributions to this special account in cash or through the cancellation of obligations due from the United Nations or as the result of claims accepted by it;

5. *Requests* the Secretary-General to consider, in consultation with Member States, ways and means of obtaining voluntary contributions;

6. *Requests* the Secretary-General to devise modalities for the purposes set forth in paragraphs 4 and 5 above, which in his opinion may be effective;

7. *Requests* the Secretary-General to report the results achieved to the General Assembly at its twenty-eighth session.
