*Recalling with appreciation* the decision of the Government of Mozambique to implement mandatory sanctions against Southern Rhodesia in accordance with Security Council resolution 253 (1968),

*Having regard* to the very substantial sacrifices made by the Government and the people of Mozambique as a consequence of the closure of its border as well as the Zambian border with Southern Rhodesia,

*Recalling* Security Council resolution 386 (1976) of 17 March 1976, in which the Council appealed to all States to provide immediate financial, technical and material assistance to Mozambique and requested the Secretary-General, in collaboration with the appropriate organizations of the United Nations system, to organize, with immediate effect, all forms of financial, technical and material assistance to enable Mozambique to carry out its policy of economic independence from the racist régime of Southern Rhodesia and enhance its capacity to implement fully the United Nations mandatory sanctions,

*Recalling* Economic and Social Council resolutions 1987 (LX) of 11 May 1976 and 2020 (LXI) of 3 August 1976, in which the Council strongly endorsed the appeal of the Security Council to the international community to provide immediate financial, technical and material assistance to Mozambique,

*Taking note* of the report of the United Nations Mission to Mozambique,<sup>8</sup> which in April 1976 ascertained the financial, technical and material assistance required by Mozambique to pursue its normal development and to overcome the economic difficulties arising from the application of economic sanctions against Southern Rhodesia,

*Noting further* the report of the Secretary-General to the Economic and Social Council on the mobilization of a programme of financial, technical and material assistance to Mozambique,<sup>9</sup>

*Having studied* the report, transmitted by the Secretary-General, reviewing the economic situation in Mozambique<sup>10</sup> as at August 1976 and containing, *inter alia*, an assessment of the status of emergency projects formulated by the Government of Mozambique, as well as estimates of specific food and material requirements for the remainder of 1976 and the outlook for 1977,

4. *Draws the attention* of the international community to the list of emergency projects required by Mozambique and described in the reports submitted by the Secretary-General;<sup>11</sup>

5. *Further draws the attention* of the international community to the assessment contained in the report of the Secretary-General reviewing the economic situation in Mozambique that, in addition to significant financial assistance, Mozambique will require substantial assistance, in cash or in kind, to meet the food and other material needs listed in tables 2 and 3 of that report;

6. *Urges* all Member States and regional and intergovernmental organizations to respond generously and to provide assistance, bilaterally and multilaterally, whenever possible in the form of grants, to enable Mozambique to bear the cost arising from the implementation of sanctions and to carry out its normal development programmes;

7. *Calls upon* all Member States which have not yet responded to the appeal of the Security Council to provide immediate financial, technical and material assistance to Mozambique, so that Mozambique can carry out its economic development programme normally and enhance its capacity to implement fully the system of sanctions;

8. *Requests* the specialized agencies and other organizations of the United Nations system, including the United Nations Development Programme, the United Nations Children's Fund and the World Food Programme, to continue to assist Mozambique and consider periodically the question of economic assistance to Mozambique;
