Reaffirming that all negotiations of a global nature relating to the establishment of the new international economic order should take place within the framework of the United Nations system and emphasizing, in this context, the central role of the General Assembly,

Recalling that, by its resolution 32/174 of 19 December 1977, it established a committee to assist it by acting as its focal point for fulfilling the tasks set out in that resolution,

Taking note of the interim report of the Committee Established under General Assembly Resolution 32/174,<sup>4</sup> in particular of part two thereof relating to its first substantive session,

1. *Regrets* that divergences of view on the interpretation of its mandate prevented the Committee Established under General Assembly Resolution 32/174 from undertaking meaningful negotiations;

2. *Stresses* the necessity for the Committee to achieve, through a determined effort of its member States, real progress on the issues brought before it;

3. *Requests* all organs of the United Nations and urges all other organizations of the United Nations system to co-operate fully with the Committee to enable it to accomplish its tasks successfully;

4. *Decides* that, in view of its importance, the Committee should receive all necessary facilities to enable it to hold meetings as and when required, together with the provision of summary records of its proceedings;

5. *Expresses its appreciation* to the Chairman of the Committee for his leadership in conducting the work of the Committee and for his valuable efforts to help overcome the difficulties encountered by it.
