33/109. Proposal for the establishment of a University for Peace

The General Assembly,

Noting that the President of the Republic of Costa Rica has submitted for the consideration of the General Assembly at its thirty-third session a proposal for the establishment of a University for Peace, as a specialized international institute for post-graduate studies related to peace, within the system of the United Nations University, and has offered it to the international community through the United Nations,⁵⁴

Bearing in mind that the Government of Costa Rica has not only offered preliminary plans and designs for the proposed University for Peace and the headquarters and land for the campus of that institution but has also made every effort to finance it outside the United Nations and the United Nations University so that it will not constitute a financial burden for either the Organization or the Member States,

Considering that both its resolution 2951 (XXVII) of 11 December 1972, by which it established the United Nations University, and the Charter of the United Nations University, adopted in resolution 3081 (XXVIII) of 6 December 1973, provided expressly for the establishment of a decentralized system of affiliated institutions, integrated into the world university community, devoted to action-oriented research into the pressing global problems of human survival, development and welfare that are the concern of the United Nations and its agencies, and to the post-graduate training of young scholars and research workers for the benefit of the world community,

1. *Takes note with appreciation* of the proposal submitted by the President of the Republic of Costa Rica for the establishment of a University for Peace

within the system of the United Nations University and of his offer to the world community;

2. *Requests* the Secretary-General to transmit the text of that proposal to Member States, the United Nations Educational, Scientific and Cultural Organization and the Rector and Council of the United Nations University and to any other agencies he may deem appropriate, so that they may communicate their views on it to him;

3. *Further requests* the Secretary-General to bring those views to the attention of all Member States and interested specialized agencies and to submit a report on the matter, through the Economic and Social Council, to the General Assembly at its thirty-fourth session.
