34/33. Information from Non-Self-Governing Territories transmitted under Article 73 e of the Charter of the United Nations

The General Assembly,

Recalling its resolution 1970 (XVIII) of 16 December 1963, in which it requested the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples to study the information transmitted to the Secretary-General under Article 73 e of the Charter of the United Nations and to take such information fully into account in examining the situation with regard to the implementation of the Declaration,

Recalling also its resolution 33/37 of 13 December 1978, in which it requested the Special Committee to continue to discharge the functions entrusted to it under resolution 1970 (XVIII),

Having examined the chapter of the report of the Special Committee dealing with the transmittal of information under Article 73 e of the Charter⁹ and the action taken by the Committee in respect of that information,

Having also examined the report of the Secretary-General on the item,¹⁰

Deploring the fact that some Member States having responsibilities for the administration of Non-Self-Governing Territories have ceased to transmit information under Article 73 e of the Charter,

1. Approves the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to the information from Non-Self-Governing Territories transmitted under Article 73 e of the Charter of the United Nations;

2. Reaffirms that, in the absence of a decision by the General Assembly itself that a Non-Self-Governing Territory has attained a full measure of self-government in terms of Chapter XI of the Charter, the administering Power concerned should continue to transmit information under Article 73 e of the Charter with respect to that Territory;

3. Requests the administering Powers concerned to transmit, or continue to transmit, to the Secretary-General the information prescribed in Article 73 e of the Charter, as well as the fullest possible information on political and constitutional developments in the Territories concerned, within a maximum period of six months following the expiration of the administrative year in those Territories;

4. Requests the Special Committee to continue to discharge the functions entrusted to it under General Assembly resolution 1970 (XVIII), in accordance with established procedures, and to report thereon to the Assembly at its thirty-fifth session.

Mindful that those Territories require the continued attention and assistance of the United Nations in the achievement by their peoples of the objectives embodied in the Charter of the United Nations and in the Declaration,
