principles of the Charter of the United Nations and of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in its resolution 1514 (XV) of 14 December 1960,

Considering that the international community is celebrating in 1980 the twentieth anniversary of the Declaration,

Bearing in mind that the Fifth and Sixth Conferences of Heads of State or Government of Non-Aligned Countries, held at Colombo and Havana in 1976 and 1979, respectively, reaffirmed the right of the people of East Timor to self-determination and independence,

Having examined the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, relating to the Territory, and other relevant documents,

Taking into consideration the recent communiqué of the Council of Ministers of Portugal, issued on 12 September 1980, in which the administering Power reaffirmed the right of the people of East Timor to self-determination,

Taking also into consideration the diplomatic initiative taken by the Government of Portugal with a view to finding a comprehensive solution to the problem of East Timor,

Deeply concerned at the continued suffering of the people of East Timor as a result of the hostilities still prevailing in the Territory,

Having heard the statements of the representatives of Portugal, as the administering Power, and Indonesia,

Having also heard the statements of various East Timorese petitioners and representatives of non-governmental organizations, as well as the representative of the Frente Revolucionária de Timor Leste Independente,

1. Reaffirms the inalienable right of the people of East Timor to self-determination and independence, in accordance with the Declaration on the Granting of Independence to Colonial Countries and Peoples;

2. Declares that the people of East Timor must be enabled freely to determine their own future within the framework of the United Nations;

3. 4. Expresses its deepest concern at the continued suffering of the people of East Timor as a result of the situation still prevailing in the Territory:

5. Requests the United Nations Children's Fund, the World Food Programme and the Office of the United Nations High Commissioner for Refugees to render, within their respective fields of competence, all possible assistance to the people of East Timor, particularly the children;

6. Requests the Secretary-General to follow the implementation of the present resolution and to report to the General Assembly at its thirty-sixth session on all aspects of the situation in East Timor, in particular the political developments concerning the situations referred to in paragraphs 1 to 4 above;

35/28. Activities of foreign economic and other interests which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples in Namibia and in all other Territories under colonial domination and efforts to eliminate colonialism, apartheid and racial discrimination in southern Africa

The General Assembly,

Having considered the item entitled "Activities of foreign economic and other interests which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples in Namibia and in all other Territories under colonial domination and efforts to eliminate colonialism, apartheid and racial discrimination in southern Africa",

Having examined the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to this question,

Taking into consideration the parts of the report of the United Nations Council for Namibia relating to the question,

Recalling its resolutions 1514 (XV) of 14 December 1960, containing the Declaration on the Granting of Independence to Colonial Countries and Peoples, and 2621 (XXV) of 12 October 1970, containing the programme of action for the full implementation of the Declaration, as well as all other resolutions of the United Nations relating to the item,

Taking into account the relevant provisions of the Maputo Declaration in Support of the Peoples of Zimbabwe and Namibia and the Programme of Action for the Liberation of Zimbabwe and Namibia, adopted by the International Conference in Support of the Peoples of Zimbabwe and Namibia, held at Maputo from 16 to 21 May 1977, as well as the Lagos Declaration for Action against Apartheid, adopted by the World Conference for Action against Apartheid,

Ibid., Thirty-fifth Session, Supplement No. 23 (A/35/23/Rev. 1), chap. V.

Ibid., Report of the World Conference for Action against Apartheid, Lagos, 22-26 August 1977 (United Nations publication, Sales No. E.77.XIV.2 and corrigendum), sect. X.
Recalling the Declaration on Namibia and the Programme of Action in Support of Self-Determination and National Independence for Namibia, contained in General Assembly resolution S-9/2 of 3 May 1978.

Bearing in mind the relevant resolutions, decisions and declarations adopted by the Assembly of Heads of State and Government of the Organization of African Unity at its seventeenth ordinary session, held at Freetown from 1 to 4 July 1980, particularly the Declaration on Foreign Investment in South Africa, adopted by the Council of Ministers of the Organization of African Unity at its thirty-fifth ordinary session, held at Freetown from 18 to 28 June 1980.44

Bearing in mind also the Final Declaration of the Sixth Conference of Heads of State or Government of Non-Aligned Countries, held at Havana from 3 to 9 September 1979.45

Reaffirming the solemn obligation of the administering Powers under the Charter of the United Nations to promote the political, economic, social and educational advancement of the inhabitants of the Territories under their administration and to protect the human and natural resources of those Territories against abuses,

Reaffirming that any economic or other activity which impedes the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples and obstructs efforts aimed at the elimination of colonialism, apartheid and racial discrimination in southern Africa and other colonial Territories violates the political, economic and social rights and interests of the peoples of the Territories and is therefore incompatible with the purposes and principles of the Charter,

Reaffirming that the natural resources of all Territories under colonial and racist domination are the heritage of the peoples of those Territories and that the exploitation and depletion of those resources by foreign economic interests, in particular of southern Africa, in association with the illegal racist minority regime of South Africa constitute a direct violation of the rights of the peoples and of the principles stated in the Charter and all relevant resolutions of the United Nations,

Noting with profound concern that the colonial Powers and certain States, through their activities in the colonial Territories, have continued to disregard United Nations decisions relating to the item and that they have failed to implement in particular the relevant provisions of General Assembly resolutions 2621 (XXV) of 12 October 1970 and 34/41 of 21 November 1979, by which the Assembly called upon all Governments which had not yet done so to take legislative, administrative or other measures in respect of their nationals and the bodies corporate under their jurisdiction that own and operate enterprises in colonial Territories, particularly in Africa, which are detrimental to the interests of the inhabitants of those Territories, in order to put an end to such enterprises and to prevent new investments which run counter to the interests of the inhabitants of those Territories,

Condemning the intensified activities of those foreign economic, financial and other interests which continue to exploit the natural and human resources of the colonial Territories and to accumulate and repatriate huge profits to the detriment of the interests of the inhabitants, particularly in southern Africa, thereby impeding the realization by the peoples of the Territories of their legitimate aspirations for self-determination and independence,

Strongly condemning the support which the racist minority regime of South Africa continues to receive from those foreign economic, financial and other interests which are collaborating with it in its exploitation of the natural and human resources of, and in the further entrenchment of its illegal and racist domination over, the international Territory of Namibia,

Taking into account the report of the United Nations Council for Namibia on the hearings on Namibian uranium held in New York from 7 to 11 July 1980.46

Strongly condemning the investment of foreign capital in the illegal production of uranium and the collaboration by certain Western countries and other States with the racist minority regime of South Africa in the nuclear field which, by providing that régime with nuclear equipment and technology, enables it to develop nuclear and military capabilities, thereby promoting South Africa’s continued illegal occupation of Namibia and enabling it to become a nuclear Power,

Deeply concerned at the fact that foreign economic, financial and other interests continue to deprive the indigenous populations of other colonial Territories, including those in the Caribbean and Pacific Ocean regions, of their rights over the wealth of their countries, and at the continued loss of ownership of land by the inhabitants of those Territories as a result of the failure of the administering Powers to take effective steps to safeguard such ownership,

Conscious of the continuing need to mobilize world public opinion against the involvement of foreign economic, financial and other interests in the exploitation of natural and human resources, which impedes the independence of colonial Territories and the elimination of racism, particularly in southern Africa,

1. Reaffirms the inalienable right of the peoples of dependent Territories to self-determination and independence and to the enjoyment of the natural resources of their Territories, as well as their right to dispose of those resources in their best interests;

2. Reaffirms the relevant provisions of the Maputo Declaration in Support of the Peoples of Zimbabwe and Namibia and the Programme of Action for the Liberation of Zimbabwe and Namibia, adopted by the International Conference in Support of the Peoples of Zimbabwe and Namibia, as well as the Lagos Declaration for Action against Apartheid, adopted by the World Conference for Action against Apartheid;

3. Endorses the Declaration on Foreign Investment in South Africa adopted by the Council of Ministers of the Organization of African Unity at its thirty-fifth ordinary session;

4. Reiterates that any administering or occupying Power which deprives the colonial peoples of the exercise of their legitimate rights over their natural resources or subordinates the rights and interests of those peoples to foreign economic and financial interests violates the solemn obligations it has assumed under the Charter of the United Nations;

5. Reaffirms that, by their depletive exploitation of natural resources, the continued accumulation and repatriation of huge profits and the use of those profits for the enrichment of foreign settlers and the entrenchment of colonial domination over the Territories, the activ-

ities of foreign economic, financial and other interests operating at present in the colonial Territories, particularly in southern Africa, constitute a major obstacle to political independence and to the enjoyment of the natural resources of those Territories by the indigenous inhabitants;

6. **Condemns** all activities of foreign economic and other interests operating in Namibia and South Africa and declares that their collaboration with the racist minority régime is detrimental to the interests of the oppressed peoples and impedes the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples;

7. **Requests** the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples to continue to monitor closely the situation in other Non-Self-Governing Territories so as to ensure that all economic activities in those Territories are aimed at strengthening and diversifying their economies in the interests of the indigenous peoples and their speedy accession to independence, and that those peoples are not exploited for political, military and other purposes detrimental to their interests;

8. **Strongly condemns** those Western countries and other States, as well as the transnational corporations, which continue their investments in, and supply of armaments and oil and nuclear technology to, the racist South African régime, thus buttressing it and aggravating the threat to world peace;

9. **Strongly condemns** the collusion of France, Germany, Federal Republic of, Israel and the United States of America with South Africa in the nuclear field and calls upon all other Governments to continue to refrain from supplying the racist minority régime of South Africa, directly or indirectly, with installations that might enable it to produce uranium, plutonium and other nuclear materials, reactors or military equipment;

10. **Calls upon** all States, in particular the United Kingdom, Great Britain and Northern Ireland, the United States, the Federal Republic of Germany, France, Japan, Belgium, Israel and Italy, to take urgent, effective measures to terminate all collaboration with South Africa in the political, diplomatic, economic, trade, military and nuclear fields and to refrain from entering into other relations with the racist régime of South Africa in violation of the relevant resolutions of the United Nations and the Organization of African Unity;

11. **Calls once again upon** all Governments which have not yet done so to take legislative, administrative or other measures in respect of their nationals and the bodies they operate under their jurisdiction that own and operate enterprises in colonial Territories, particularly in Africa, which are detrimental to the interests of the inhabitants of those Territories, in order to put an end to such enterprises and to prevent new investments which run counter to the interests of the inhabitants of those Territories;

12. **Requests** all States to refrain from making any investments to the benefit of, or extending loans to, the minority racist régime of South Africa and to refrain from any agreements or measures to promote trade or other economic relations with it;

13. **Calls upon** those oil-producing and oil-exporting countries which have not yet done so to take effective measures against the oil companies which supply crude oil and petroleum products to the racist régime of South Africa;

14. **Requests** all States to take effective measures to ensure the supply of funds and other forms of assistance, including military supplies and equipment, to the régimes which use such assistance to repress the peoples of the colonial Territories and their national liberation movements;

15. **Reiterates** that the exploitation and plundering of the natural resources of Namibia by South African and other foreign economic interests, in violation of the relevant resolutions of the General Assembly and the Security Council and of Decree No. 1 for the Protection of the Natural Resources of Namibia, enacted by the United Nations Council for Namibia on 27 September 1974, are illegal and contribute to the maintenance of the illegal occupation régime;

16. **Strongly condemns** South Africa for its continued exploitation and plundering of the natural resources of Namibia in complete disregard of the legitimate interests of the Namibian people;

17. **Calls once again upon** all States to discontinue all economic, financial or trade relations with South Africa concerning Namibia and to refrain from entering into economic, financial or other relations with South Africa, acting on behalf of or concerning Namibia, which may lend support to its continued illegal occupation of that Territory;

18. **Invites** all Governments and organizations of the United Nations system, having regard to the relevant provisions of the Declaration on the Establishment of a New International Economic Order, contained in General Assembly resolution 3201 (S-VI) of 1 May 1974, and of the Charter of Economic Rights and Duties of States, contained in Assembly resolution 3281 (XXIX) of 12 December 1974, to ensure in particular that the permanent sovereignty of the colonial Territories over their natural resources is fully respected and safeguarded;

19. **Calls upon** the administering Powers to abolish every discriminatory and unjust wage system prevailing in the Territories under their administration and to apply in each Territory a uniform system of wages to all the inhabitants without any discrimination;

20. **Requests** the Secretary-General to continue to undertake, through the Department of Public Information of the Secretariat, a sustained and broad campaign with a view to informing world public opinion of the facts concerning the pillaging of natural resources in colonial Territories and the exploitation of their indigenous populations by foreign monopolies and the support they render to the colonialist and racist régimes;

21. **Appeals** to all non-governmental organizations to continue their campaign to mobilize international public opinion for the enforcement of economic and other sanctions against the Pretoria régime;

22. **Requests** the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples to continue to examine this question and to report thereon to the General Assembly at its thirty-sixth session.
