11. Strongly appeals to all contributing Governments to make every effort to pledge, in 1980, substantial increases in their contributions for 1981 and to those Governments that have not yet contributed to the Fund of the United Nations Environment Programme to pledge to do so in 1980, in order that the agreed target for the period 1978-1981 may be reached;

12. Invites Governments to consider proposals whereby additional contributions to the Fund of the United Nations Environment Programme would be used for measures dealing with serious environmental problems in developing countries, taking into account the relevant provisions of General Assembly resolution 34/188 of 18 December 1979, and requests the Governing Council of the Programme to report thereon to the Economic and Social Council at its second regular session of 1981;

13. Decides to convene, in 1982, a session of a special character of the Governing Council of the United Nations Environment Programme, open to all States, to commemorate the tenth anniversary of the United Nations Conference on the Human Environment, held at Stockholm from 5 to 16 June 1972, at the same place and immediately prior to the tenth regular session of the Governing Council, and invites Governments to be represented at that session at a high political level;

14. Decides that at the session of a special character the Governing Council of the United Nations Environment Programme should review the major achievements in the implementation of the Action Plan for the Human Environment, adopted at Stockholm, and make recommendations with respect to the major environmental trends to be addressed by the Programme over the forthcoming ten years;

15. Invites the Executive Director of the United Nations Environment Programme to proceed, in consultation with Governments, with the preparation of the above-mentioned session and to present to the Governing Council, at its ninth session, a comprehensive report on all matters relevant to the organization, agenda and financial implications of the session, including proposals as to the dates and venue of the two sessions.

83rd Plenary meeting 5 December 1980

35/76. Strengthening of human settlements activities

The General Assembly,

Recalling its resolution 34/116 of 14 December 1979 on the strengthening of human settlements activities,

Recalling also Economic and Social Council resolutions 1224 (XXII) of 6 June 1967 and 1670 (LII) of 1 June 1972 concerning the improvement and upgrading of living and environmental conditions in the squatter settlements and slums of urban and rural areas,

Recognizing that one of the most urgent needs in developing countries is to upgrade the living and working conditions of low-income and disadvantaged groups in both rural and urban areas,

Reaffirming that adequate shelter and services are a basic human right, as proclaimed in the Vancouver Declaration on Human Settlements, 1976, and that, in striving to uphold this right, priority must be given to the needs of the poor, the homeless and the most vulnerable groups of society,

Noting with concern that, in the years that have elapsed since the convening of Habitat: United Nations Conference on Human Settlements, the conditions of human settlements in developing countries have, by and large, worsened, particularly in the urban areas, where the growth of slums and squatter settlements has continued unabated, in the midst of poverty, squalor, overcrowding and human degradation,

Noting also that an increasing number of Governments are committed to upgrading low-income urban settlements and to improving the quality of life in rural
