Taking note of the report of the Secretary-General on permanent sovereignty over national resources in the occupied Arab territories,⁶⁸ requested by the General Assembly in its resolution 35/110, and noting with satisfaction the mission undertaken in preparation of that report,

1. *Condemns* Israel for its refusal to allow the United Nations consultants on national resources access to the occupied Palestinian and other Arab territories,

2. *Emphasizes* the right of the Arab States and peoples whose territories are under Israeli occupation to full and effective permanent sovereignty and control over their natural and all other resources, wealth and economic activities;

3. *Reaffirms* that all measures undertaken by Israel to exploit the human, natural and all other resources, wealth and economic activities in the occupied Palestinian and other Arab territories are illegal and calls upon Israel to desist immediately from such measures;

4. *Further reaffirms* the right of the Arab States and peoples subjected to Israeli aggression and occupation to the restitution of, and full compensation for the exploitation, depletion and loss of and damages to, their natural, human and all other resources, wealth and economic activities, and calls upon Israel to meet their just claims;

5. *Calls upon* all States to support the Arab States and peoples in the exercise of those rights;

6. *Calls upon* all States, international organizations, specialized agencies, business corporations and all other institutions not to recognize, or co-operate with or assist in any manner in, any measures undertaken by Israel to exploit the national resources of the occupied Palestinian and other Arab territories or to effect any changes in the demographic composition, the character and form of use of their natural resources or the institutional structure of those territories;

7. *Requests* the Secretary-General to prepare and submit to the General Assembly at its thirty-seventh session a comprehensive report on permanent sovereignty over national resources in the occupied Palestinian and other Arab territories, including Jerusalem, and to make proposals for follow-up and implementation;

8. *Requests* the Secretary-General to prepare and submit to the General Assembly at its thirty-eighth session a report on the implications, under international law, of the United Nations resolutions on permanent sovereignty over natural resources, on the occupied Palestinian and other Arab territories and on the obligations of Israel concerning its conduct in these territories.

36/174. Co-operation between the United Nations and the Agency for Cultural and Technical Co-operation

The General Assembly,

Recalling its resolution 33/18 of 10 November 1978, by which it accorded observer status to the Agency for Cultural and Technical Co-operation,

Recalling also Economic and Social Council decision 190 (LXI) of 5 August 1976, by which the Council had designated the Agency for Cultural and Technical Co-operation

to participate on an *ad hoc* basis in the deliberations of the Council on questions within the scope of its activities,

Noting with satisfaction the desire expressed by the Agency for Cultural and Technical Co-operation to establish close co-operation with the United Nations in all fields of common interest, in particular training, desertification control, science and technology for development, new and renewable sources of energy and technical co-operation among developing countries,

Recognizing the importance of those sectors,

1. *Welcomes* the participation of the Agency for Cultural and Technical Co-operation in the work of the United Nations in fields of common interest;

2. *Recognizes* the necessity of strengthening co-operation between the United Nations and the Agency for Cultural and Technical Co-operation;

3. *Requests* the Secretary-General of the United Nations, in collaboration with the Secretary-General of the Agency for Cultural and Technical Co-operation, to examine proposals by the Agency aimed at reinforcing co-operation with the United Nations and to submit a report thereon through the Economic and Social Council to the General Assembly at its thirty-seventh session.

36/175. Specific action related to the particular needs and problems of land-locked developing countries

The General Assembly,

Reiterating the specific actions related to the particular needs of the land-locked developing countries stated in resolutions 63 (III) of 19 May 1972,⁶⁹ 98 (IV) of 31 May 1976⁷⁰ and 123 (V) of 3 June 1979⁷¹ of the United Nations Conference on Trade and Development,

Recalling the provisions of its resolutions 31/157 of 21 December 1976, 32/191 of 19 December 1977, 33/150 of 20 December 1978, 34/198 of 19 December 1979 and 35/58 of 5 December 1980 and other resolutions of the United Nations relating to the particular needs and problems of land-locked developing countries,

Bearing in mind various other resolutions adopted by the General Assembly, its related organs and the specialized agencies, emphasizing special and urgent measures in favour of land-locked developing countries,

Recalling the relevant provisions of the International Development Strategy for the Third United Nations Development Decade,⁷²

Recognizing that the lack of territorial access to the sea, aggravated by remoteness and isolation from world markets, and the prohibitive transit, transport and trans-shipment costs impose serious constraints on the socio-economic development of land-locked developing countries,

Noting with concern that the measures taken so far in favour of land-locked developing countries and the assistance given fall far short of their needs,
