

form the General Assembly from time to time of the state of adherence to the Convention and its Protocols;

4. *Decides* to include in the provisional agenda of its thirty-seventh session the item entitled "United Nations Conference on Prohibitions or Restrictions on the Use of Certain Conventional Weapons Which May Be Deemed to Be Excessively Injurious or to Have Indiscriminate Effects".

**36/94. Conclusion of an international convention on the strengthening of the security of non-nuclear-weapon States against the use or threat of use of nuclear weapons**

*The General Assembly,*

*Convinced* of the need to take effective measures for the strengthening of the security of States and prompted by the desire shared by all nations to eliminate war and prevent nuclear conflagration,

*Taking into account* the principle of non-use of force or threat of force enshrined in the Charter of the United Nations and reaffirmed in a number of United Nations declarations and resolutions,

*Noting with satisfaction* the desire of States in various regions to prevent nuclear weapons from being introduced into their territories, including through the establishment of nuclear-weapon-free zones, on the basis of arrangements freely arrived at among the States of the region concerned, and being anxious to contribute to the attainment of this objective,

*Considering* that, until nuclear disarmament is achieved on a universal basis, it is imperative for the international community to develop effective measures to ensure the security of non-nuclear-weapon States against the use or threat of use of nuclear weapons from any quarter,

*Recognizing* that effective measures to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons can constitute a positive contribution to the prevention of the spread of nuclear weapons,

*Mindful* of the statements made and views expressed by various States on the strengthening of the security of non-nuclear-weapon States,

*Concerned* at the continuing escalation of the arms race, in particular the nuclear-arms race, and the increased danger of recourse to the use or threat of use of nuclear weapons,

*Deeply concerned* at the plans for further stationing of nuclear weapons on the territories of non-nuclear-weapon States that could directly affect the security of non-nuclear-weapon States,

*Desirous* of promoting the implementation of paragraph 59 of the Final Document of the Tenth Special Session of the General Assembly,<sup>53</sup> the first special session devoted to disarmament, in which it urged the nuclear-weapon States to pursue efforts to conclude, as appropriate, effective arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons,

*Recalling* its resolutions 33/72 of 14 December 1978, 34/84 and 34/85 of 11 December 1979, 35/154 and 35/155 of 12 December 1980 and the relevant provisions of its resolution 35/46 of 3 December 1980,

*Noting* the consideration by the Committee on Disarmament in 1981 of the item entitled "Effective international

arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons" and the setting up of an *Ad Hoc* Working Group to continue the negotiations on this item,

*Recalling* the drafts of an international convention submitted on that item to the Committee on Disarmament in 1979 and noting with satisfaction that the idea of concluding such a convention has received widespread international support,

*Taking note* of the report of the Committee on Disarmament,<sup>54</sup> including the report of the *Ad Hoc* Working Group on Effective International Arrangements to Assure Non-Nuclear-Weapon States against the Use or Threat of Use of Nuclear Weapons,<sup>55</sup>

*Wishing* to promote an early and successful completion of the negotiations on the elaboration of a convention on the strengthening of the security of non-nuclear-weapon States against the use or threat of use of nuclear weapons,

*Noting further* that the idea of interim arrangements as a first step towards the conclusion of such a convention has also been considered in the Committee on Disarmament, particularly in the form of a Security Council resolution on this subject, and recalling the recommendation made in that respect by the General Assembly in paragraph 6 of its resolution 35/154,

*Mindful* of the second special session devoted to disarmament, to be held from 7 June to 9 July 1982, at which the General Assembly will review the progress achieved in the field of disarmament, including the implementation of paragraph 59 of the Final Document of the Tenth Special Session of the General Assembly,

1. *Welcomes* the conclusion of the Committee on Disarmament that there is continuing recognition of the urgent need to reach agreement on effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons;

2. *Notes with satisfaction* that in the Committee on Disarmament there is once again no objection, in principle, to the idea of an international convention on this subject;

3. *Requests* the Committee on Disarmament to continue the negotiations on the question of strengthening the security guarantees of non-nuclear-weapon States during its session in 1982;

4. *Calls upon* all States participating in those negotiations to make efforts for the elaboration and conclusion of an international convention on this matter;

5. *Calls once again upon* all nuclear-weapon States to make solemn declarations, identical in substance, concerning the non-use of nuclear weapons against non-nuclear-weapon States having no such weapons on their territories, as a first step towards the conclusion of an international convention, and recommends that the Security Council should examine such declarations and, if they all meet the above-mentioned objective, should adopt an appropriate resolution approving them;

6. *Decides* to include in the provisional agenda of its thirty-seventh session the item entitled "Conclusion of an international convention on the strengthening of the security of non-nuclear-weapon States against the use or threat of use of nuclear weapons".
