39/190. Assistance to Yemen

The General Assembly,

Recalling its resolutions 37/166 of 17 December 1982 and 38/204 of 20 December 1983 and resolution 150 (VI)

⁹⁸ A/39/380.
⁹⁹ A/39/404.

of 2 July 1983 of the United Nations Conference on Trade and Development,⁹⁵

Fully aware of the grave devastation and substantial loss of life and property caused by the earthquake that struck large areas of Yemen on 12 December 1982,

Concerned about the damage caused to infrastructure, which has a far-reaching effect on the implementation of the national development plan in that country,

Taking note of the report of the Secretary-General,⁹⁸ which outlines the reconstruction programme of the Government of Yemen, the cost of which is estimated at \$620 million,

Taking into account that the various phases of reconstruction have placed a strain on the Government of Yemen, largely exhausted the resources available and hindered development plans,

Recognizing that Yemen, as one of the least developed countries, is unable to bear the mounting burden of the relief efforts and the reconstruction of the affected areas,

1. *Appeals* to all countries, especially the developed countries, to continue to contribute generously to the relief efforts and the reconstruction of the affected areas through financial contributions and the provision of the construction materials and equipment necessary to restore infrastructure and basic services in the affected areas;

2. *Requests* the appropriate organizations and programmes of the United Nations system to maintain and expand their programmes of assistance to Yemen;

3. *Expresses its gratitude* to the States, the international and regional organizations and the non-governmental organizations that have participated in the ongoing efforts undertaken for the reconstruction of the affected areas in Yemen;

4. *Requests* the Secretary-General to apprise the Economic and Social Council, at its second regular session of 1985, and the General Assembly, at its fortieth session, of the progress made in the implementation of the present resolution.

Concerned by the fact that the damage caused by these natural disasters is hampering the development efforts of Madagascar,

Taking note of the report of the Secretary-General on assistance to Madagascar,⁹⁹ prepared pursuant to Economic and Social Council resolution 1984/3,

Having considered the special economic assistance programme prepared by the inter-agency mission which visited Madagascar from 24 May to 5 June 1984,¹⁰⁰
