39/190. Assistance to Yemen

The General Assembly,

Recalling its resolutions 37/166 of 17 December 1982 and 38/204 of 20 December 1983 and resolution 150 (VI)

⁹⁸ A/39/380.

⁹⁹ A/39/404.

of 2 July 1983 of the United Nations Conference on Trade and Development,⁹⁵

Fully aware of the grave devastation and substantial loss of life and property caused by the earthquake that struck large areas of Yemen on 12 December 1982,

Concerned about the damage caused to infrastructure, which has a far-reaching effect on the implementation of the national development plan in that country,

Taking note of the report of the Secretary-General,⁹⁸ which outlines the reconstruction programme of the Government of Yemen, the cost of which is estimated at \$620 million,

Taking into account that the various phases of reconstruction have placed a strain on the Government of Yemen, largely exhausted the resources available and hindered development plans,

Recognizing that Yemen, as one of the least developed countries, is unable to bear the mounting burden of the relief efforts and the reconstruction of the affected areas,

1. *Appeals* to all countries, especially the developed countries, to continue to contribute generously to the relief efforts and the reconstruction of the affected areas through financial contributions and the provision of the construction materials and equipment necessary to restore infrastructure and basic services in the affected areas;

2. *Requests* the appropriate organizations and programmes of the United Nations system to maintain and expand their programmes of assistance to Yemen;

3. *Expresses its gratitude* to the States, the international and regional organizations and the non-governmental organizations that have participated in the ongoing efforts undertaken for the reconstruction of the affected areas in Yemen;

4. *Requests* the Secretary-General to apprise the Economic and Social Council, at its second regular session of 1985, and the General Assembly, at its fortieth session, of the progress made in the implementation of the present resolution.

The General Assembly,

Recalling Economic and Social Council resolution 1984/3 of 11 May 1984 on measures to be taken following the cyclones and floods in Madagascar in December 1983 and January and April 1984,

Recognizing that these climatic phenomena have resulted in loss of life and the destruction of several towns and have inflicted serious damage on the economic and social infrastructures and on the agricultural, stock-farming, transport and industrial sectors,

Concerned by the fact that the damage caused by these natural disasters is hampering the development efforts of Madagascar,

Taking note of the report of the Secretary-General on assistance to Madagascar,⁹⁹ prepared pursuant to Economic and Social Council resolution 1984/3,

Having considered the special economic assistance programme prepared by the inter-agency mission which visited Madagascar from 24 May to 5 June 1984,¹⁰⁰

39/192. Assistance to Sierra Leone

The General Assembly,

Recalling its resolutions 37/158 of 17 December 1982 and 38/205 of 20 December 1983, in which it appealed to all States, the specialized agencies and international development and financial institutions to provide all possible assistance for the development of Sierra Leone,

Further recalling its resolution 37/133 of 17 December 1982, in which it decided to include Sierra Leone in the list of the least developed countries,

Having considered the summary report of the Secretary-General,¹⁰¹

Noting with concern that the economy of Sierra Leone is being undermined by severe scarcities of imported raw materials and spare parts for industry, a drying-up of trade and commercial credits, large commercial payment arrears and unmitigated strains on government finances,

Concerned that unusually low rainfall in 1984 has seriously affected the food production of the country and considerably worsened its balance-of-payments position,

Noting that the Government of Sierra Leone, in co-operation with the United Nations Development Programme, has initiated preparatory activities for a round-table of partners in development of Sierra Leone, to be organized with the assistance of the Programme early in 1985,

Reiterating the need for effective mobilization of international assistance, in order to implement fully the programme of development outlined in the report of the multi-agency mission,¹⁰²

1. *Expresses its appreciation* to the Secretary-General for the steps he has taken to mobilize assistance for Sierra Leone;

2. *Urgently reiterates its appeal* to the international community, including the specialized agencies and other organizations and bodies of the United Nations system, to contribute generously, through bilateral or multilateral channels, to the economic and social development of Sierra Leone;

3. *Urges* all States and relevant United Nations bodies — in particular the United Nations Development Programme, the World Food Programme, the United Nations Industrial Development Organization, the United Nations Children's Fund, the World Health Organization, the United Nations Educational, Scientific and Cultural Organization and the United Nations Fund for Population Activities — to provide all possible assistance to help the Government of Sierra Leone meet the critical humanitarian needs of the population and to provide, as appropriate, food, medicines and essential equipment for hospitals and schools;

4. *Invites* the United Nations Development Programme, the United Nations Children's Fund, the World Food Programme, the World Health Organization, the United Nations Industrial Development Organization, the Food and Agriculture Organization of the United Nations, the World Bank and the International Fund for Agricultural Development to bring to the attention of their governing bodies, for their consideration, the special needs of Sierra Leone and to report the decisions of those bodies to the Secretary-General by 15 July 1985;

5. *Appeals* to all States and international organizations to participate at a high level in the round-table of partners in development of Sierra Leone to be held early in 1985, and to contribute generously to the programme of action that will be presented by the Government of Sierra Leone;

6. *Requests* the Secretary-General:

(a) To continue his efforts to mobilize the necessary resources for an effective programme of financial, technical and material assistance to Sierra Leone;

(b) To apprise the Economic and Social Council, at its second regular session of 1985, of the assistance granted to Sierra Leone;
