

non-nuclear-weapon States against the use or threat of use of nuclear weapons”.

97th plenary meeting

39/58. Conclusion of effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons

The General Assembly,

Bearing in mind the need to allay the legitimate concern of the States of the world with regard to ensuring lasting security for their peoples,

Convinced that nuclear weapons pose the greatest threat to mankind and to the survival of civilization,

Deeply concerned at the continuing escalation of the arms race, in particular the nuclear-arms race, and the possibility of the use or threat of use of nuclear weapons,

Convinced that nuclear disarmament and the complete elimination of nuclear weapons are essential to remove the danger of nuclear war,

Taking into account the principle of the non-use of force or threat of force enshrined in the Charter of the United Nations,

Deeply concerned about the possibility of the use or threat of use of nuclear weapons,

Recognizing that the independence, territorial integrity and sovereignty of non-nuclear-weapon States need to be safeguarded against the use or threat of use of force, including the use or threat of use of nuclear weapons,

Considering that, until nuclear disarmament is achieved on a universal basis, it is imperative for the international community to develop effective measures to ensure the security of non-nuclear-weapon States against the use or threat of use of nuclear weapons from any quarter,

Recognizing that effective measures to assure the non-nuclear-weapon States against the use or threat of use of nuclear weapons can constitute a positive contribution to the prevention of the spread of nuclear weapons,

Recalling its resolutions 3261 G (XXIX) of 9 December 1974 and 31/189 C of 21 December 1976,

Bearing in mind paragraph 59 of the Final Document of the Tenth Special Session of the General Assembly,¹³ in which it urged the nuclear-weapon States to pursue efforts to conclude, as appropriate, effective arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons,

Desirous of promoting the implementation of the relevant provisions of the Final Document of the Tenth Special Session,

Recalling its resolutions 33/72 B of 14 December 1978, 34/85 of 11 December 1979, 35/155 of 12 December 1980, 36/95 of 9 December 1981, 37/81 of 9 December 1982 and 38/68 of 15 December 1983,

Further recalling paragraph 12 of the Declaration of the 1980s as the Second Disarmament Decade, contained in the annex to its resolution 35/46 of 3 December 1980, which states, *inter alia*, that all efforts should be exerted by the Committee on Disarmament¹⁶ urgently to negotiate with a view to reaching agreement on effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons,

Noting the in-depth negotiations undertaken in the Conference on Disarmament and its *Ad Hoc* Committee on Effective International Arrangements to Assure Non-Nuclear-Weapon States against the Use or Threat of Use of Nuclear Weapons,¹⁵ with a view to reaching agreement on this item,

Noting the proposals submitted under that item in the Conference on Disarmament, including the drafts of an international convention,

Taking note of the decision of the Seventh Conference of Heads of State or Government of Non-Aligned Countries, held at New Delhi from 7 to 12 March 1983,¹⁷ as well as the relevant recommendations of the Organization of the Islamic Conference reiterated in the final declaration of the Fourteenth Islamic Conference of Foreign Ministers, held at Dhaka from 6 to 11 December 1983,¹⁸ calling upon the Committee on Disarmament to reach an urgent agreement on an international convention to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons,

Further noting the support expressed in the Conference on Disarmament and in the General Assembly for the elaboration of an international convention to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons, as well as the difficulties pointed out in evolving a common approach acceptable to all,

1. *Reaffirms* the urgent need to reach agreement on effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons;

2. *Notes with satisfaction* that in the Conference on Disarmament there is no objection, in principle, to the idea of an international convention to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons, although the difficulties as regards evolving a common approach acceptable to all have also been pointed out;

3. *Appeals* to all States, especially the nuclear-weapon States, to demonstrate the political will necessary to reach agreement on a common approach and, in particular, on a common formula which could be included in an international instrument of a legally binding character;

4. *Recommends* that further intensive efforts should be devoted to the search for such a common approach or common formula and that the various alternative approaches, including in particular those considered in the Conference on Disarmament, should be further explored in order to overcome the difficulties;

5. *Recommends* that the Conference on Disarmament should actively continue negotiations with a view to reaching early agreement and concluding effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons, taking into account the widespread support for the conclusion of an international convention and giving consideration to any other proposals designed to secure the same objective;

6. *Decides* to include in the provisional agenda of its fortieth session the item entitled “Conclusion of effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons”.
