

39/70. Review of the rates of reimbursement to the Governments of troop-contributing States

The General Assembly,

Recalling its decision of 29 November 1974, taken at its twenty-ninth session, by which it established, as from 25 October 1973, standard rates of reimbursement to the Governments of troop-contributing States for pay and allowances of their troops serving in the United Nations Emergency Force and the United Nations Disengagement Observer Force,³³ and its decision 32/416 of 2 December 1977, by which it revised those rates of reimbursement as from 25 October 1977,

Recalling also its decision of 15 December 1975, taken at its thirtieth session, by which it approved the principle of reimbursing the troop-contributing States for the usage factor for personal clothing, gear and equipment,³⁴ and the related report of the Secretary-General to the General Assembly at its thirty-first session establishing the rates therefor as from 25 October 1973,³⁵

Recalling further its resolution S-8/2 of 21 April 1978, by which it applied the same standard rates of reimbursement in effect for the United Nations Emergency Force and the United Nations Disengagement Observer Force to those Governments of States contributing troops to the United Nations Interim Force in Lebanon,

Recalling further its resolution 35/44 of 1 December 1980, by which these rates were once again revised as from 1 December 1980 in the case of the United Nations Disengagement Observer Force and as from 19 December 1980 in the case of the United Nations Interim Force in Lebanon,

Taking note of the concerns that escalating troop costs have adversely affected in real terms the existing standard rates of reimbursement,

Requests the Secretary-General to review, in consultation with the States contributing troops to the United Nations Disengagement Observer Force and the United Nations Interim Force in Lebanon and with other interested Member States, the existing standard rates of reimbursement, with a view to ensuring an equitable rate of reimbursement to the Governments of troop-contributing States, and to report on this matter to the General Assembly at its fortieth session.

Reaffirming its previous decisions regarding the fact that, in order to meet the expenditures caused by such operations, a different procedure from the one applied to meet expenditures of the regular budget of the United Nations is required.

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards peace-keeping operations involving heavy expenditures,

Bearing in mind the special responsibilities of the States permanent members of the Security Council in the financing of peace-keeping operations decided upon in accordance with the Charter of the United Nations,

B

The General Assembly.

Having regard to the financial position of the Special Account for the United Nations Interim Force in Lebanon, as set forth in the report of the Secretary-General,³⁶ and referring to paragraph 7 of the report of the Advisory Committee on Administrative and Budgetary Questions,³⁷

Mindful of the fact that it is essential to provide the United Nations Interim Force in Lebanon with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

Concerned that the Secretary-General is continuing to face growing difficulties in meeting the obligations of the United Nations Interim Force in Lebanon on a current basis, particularly those due to the Governments of troop-contributing States,

Recalling its resolutions 34/9 E of 17 December 1979, 35/115 B of 10 December 1980, 36/138 B of 16 December 1981, 37/127 B of 17 December 1982 and 38/38 B of 5 December 1983,

Recognizing that, in consequence of the withholding of contributions by certain Member States, the surplus balances in the Special Account for the United Nations Interim Force in Lebanon have, in effect, been drawn upon to the full extent to supplement the income received from contributions for meeting expenses of the Force,

Concerned that the application of the provisions of regulations 5.2 (b), 5.2 (d), 4.3 and 4.4 of the Financial Regulations of the United Nations would aggravate the already difficult financial situation of the United Nations Interim Force in Lebanon,

Decides that the provisions of regulations 5.2 (b), 5.2 (d), 4.3 and 4.4 of the Financial Regulations of the United Nations shall be suspended in respect of the amount of \$6,035,305, which otherwise would have to be surrendered pursuant to those provisions, this amount to be entered in the account referred to in the operative part of General Assembly resolution 34/9 E and held in suspense until a further decision is taken by the Assembly.
