B

The General Assembly,

Having regard to the financial position of the Special Account for the United Nations Interim Force in Lebanon, as set forth in the report of the Secretary-General,³⁹ and referring to paragraph 7 of the report of the Advisory Committee on Administrative and Budgetary Questions,⁴⁰

Mindful of the fact that it is essential to provide the United Nations Interim Force in Lebanon with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

Concerned that the Secretary-General is continuing to face growing difficulties in meeting the obligations of the United Nations Interim Force in Lebanon on a current basis, particularly those due to the Governments of troop-contributing States,

Recalling its resolutions 34/9 E of 17 December 1979, 35/115 B of 10 December 1980, 36/138 B of 16 December 1981, 37/127 B of 17 December 1982, 38/38 B of 5 December 1983 and 39/71 B of 13 December 1984,

Recognizing that, in consequence of the withholding of contributions by certain Member States, the surplus balances in the Special Account for the United Nations Interim Force in Lebanon have, in effect, been drawn upon to the full extent to supplement the income received from contributions for meeting expenses of the Force,

Concerned that the application of the provisions of regulations 5.2 (b), 5.2 (d), 4.3 and 4.4 of the Financial Regulations of the United Nations would aggravate the already difficult financial situation of the United Nations Interim Force in Lebanon,

Decides that the provisions of regulations 5.2 (b), 5.2 (d), 4.3 and 4.4 of the Financial Regulations of the United Nations shall be suspended in respect of the amount of \$8,868,174, which otherwise would have to be surrendered pursuant to those provisions, this amount to be entered in the account referred to in the operative part of General Assembly resolution 34/9 E and held in suspense until a further decision is taken by the Assembly.

40/247. Review of the rates of reimbursement to the Governments of troop-contributing States

The General Assembly,

Having considered the report of the Secretary-General on the review of the rates of reimbursement to the Gov-

ernments of troop-contributing States,⁴¹ submitted pursuant to General Assembly resolution 39/70 of 13 December 1984, as well as the related report of the Advisory Committee on Administrative and Budgetary Questions,⁴⁰

Recalling its decision of 29 November 1974, taken at its twenty-ninth session, by which it established, as from 25 October 1973, standard rates of reimbursement to the Governments of troop-contributing States for pay and allowances of their troops serving in the United Nations Emergency Force and the United Nations Disengagement Observer Force,⁴² and its decision 32/416 of 2 December 1977, by which it revised those rates of reimbursement as from 25 October 1977,

Recalling also its resolution S-8/2 of 21 April 1978, by which it applied the same standard rates of reimbursement in effect for the United Nations Emergency Force and the United Nations Disengagement Observer Force to those Governments of States contributing troops to the United Nations Interim Force in Lebanon,

Recalling further its resolution 35/44 of 1 December 1980, by which it established new standard rates of reimbursement to the Governments of troop-contributing States of \$950 per person per month for all ranks, plus \$280 per person per month for a limited number of specialists (up to 25 per cent of logistics contingents and up to 10 per cent of other contingents), with effect from 1 December 1980 in the case of the United Nations Disengagement Observer Force and from 19 December 1980 in the case of the United Nations Interim Force in Lebanon,

Recalling further its decision of 15 December 1975, taken at its thirtieth session, by which it approved the principle of reimbursing the troop-contributing States for the usage factor for personal clothing, gear and equipment and personal weaponry, including ammunition, issued by Governments to their troops for service in the United Nations peace-keeping forces and in which it requested the Secretary-General to negotiate a settlement thereof,⁴³ pursuant to which a reimbursement rate of \$70 per person per month was agreed upon,

Recognizing that, in consequence of the shortfall of financial contributions, troop-contributing States are not being reimbursed to the full extent of the established rates and are thus bearing considerably larger portions of the costs for their troops serving in the United Nations peace-keeping forces than those indicated by the Secretary-General in his report,

1. Takes note of the conclusions and recommendations of the Secretary-General as outlined in paragraphs 12 to 15 of his report;⁴¹

2. Decides to retain the current rates of reimbursement of \$950 per person per month for all ranks, plus the specialists' allowance of \$280 per person per month for 25 per cent of logistics contingents and 10 per cent of other contingents, as well as \$65 per person per month for the usage factor for personal clothing, gear and equipment and \$5 per person per month for personal weaponry, including ammunition;

3. Also decides that the rates of reimbursement to the Governments of troop-contributing States shall be reviewed by the Secretary-General, in consultation with the troop-contributing States, and requests the Secretary-General to report thereon to the General Assembly, at least once every two years, if, in the light of inflation and currency-exchange fluctuations or other factors brought to the attention of the Secretary-General, these rates appreci-

ably affect the absorption factor of two or more of the troop-contributing States.
