#### 42/164. Target for World Food Programme pledges for the period 1989-1990

*The General Assembly,*

Recalling the provisions of its resolution 2095 (XX) of 20 December 1965 to the effect that the World Food Programme is to be reviewed before each pledging conference,

Recalling also the provisions of paragraph 4 of its resolution 40/176 of 17 December 1985 specifying that, subject to the review mentioned above, the next pledging conference should be convened at the latest early in 1988, at which time Governments and appropriate donor organizations should be invited to pledge contributions for the period 1989-1990, with a view to reaching such a target as may then be recommended by the General Assembly and by the Conference of the Food and Agriculture Organization of the United Nations,

Noting that the review of the Programme was undertaken by the Committee on Food Aid Policies and Programmes of the World Food Programme at its twenty-third session and by the Economic and Social Council at its second regular session of 1987,

Having considered Economic and Social Council resolution 1987/91 of 9 July 1987, and the recommendations of the Committee on Food Aid Policies and Programmes,

Recognizing the value of multilateral food aid as provided by the World Food Programme since its inception and the necessity for continuing its activity both as a form of capital investment and for meeting emergency food needs,

1. Establishes for the two years 1989 and 1990 a target for voluntary contributions to the World Food Programme of \$1.4 billion, of which not less than one third in the aggregate should be in cash and/or services, and expresses the hope that those resources will be augmented by substantial additional contributions from other sources in recognition of the prospective volume of sound project requests and the capacity of the Programme to operate at a higher level;

2. Urges States Members of the United Nations and members and associate members of the Food and Agriculture Organization of the United Nations and appropriate donor organizations to make every effort to ensure the full attainment of the target;

3. Requests the Secretary-General, in co-operation with the Director-General of the Food and Agriculture Organization of the United Nations, to convene a pledging conference for this purpose at United Nations Headquarters early in 1988;

4. Decides that, subject to the review provided for in its resolution 2095 (XX), the next pledging conference, at which Governments and appropriate donor organizations

should be invited to pledge contributions for 1991 and 1992, with a view to reaching such a target as may then be recommended by the General Assembly and by the Conference of the Food and Agriculture Organization of the United Nations, should be convened at the latest early in 1990.

Bearing in mind the Final Act adopted by the United Nations Conference on Trade and Development at its seventh session, held at Geneva from 9 July to 3 August 1987,<sup>2</sup>

Recalling its resolutions 40/173 of 17 December 1985 and 41/184 of 8 December 1986, and taking note of Economic and Social Council decision 1987/162 of 8 July 1987,

Having considered the report of the Secretary-General on a concept of international economic security,<sup>3</sup>

Reaffirming that co-operation among all countries should be based on respect for independence, sovereignty, territorial integrity and non-interference in the internal affairs of each State, and on the right of the people of each country to choose freely their own social, economic and political system,

Convinced that the efforts of States to co-operate in all areas of economic activity contribute to the reinforcement of international peace and security in accordance with the Charter of the United Nations, and recalling, in this connection, the Final Document of the International Conference on the Relationship between Disarmament and Development,<sup>4</sup>

Further convinced of the need to strengthen the United Nations and the United Nations system to achieve the
