3. *Welcomes* the decisions in support of the Conference adopted by the General Assembly of the Organization of American States at its eighteenth session and by the Executive Committee of the Programme of the United Nations High Commissioner for Refugees at its thirty-ninth session;<sup>105</sup>

5. *Exhorts* all Member States, organs, specialized agencies and other organizations of the United Nations system, as well as the regional and subregional, intergovernmental and non-governmental organizations engaged in the humanitarian task of helping Central American refugees, to participate in the Conference and to provide all the resources, co-operation and support necessary for preparing and holding it, and for following up the results;

6. *Appeals* to the international community to increase its assistance to the countries of asylum and of origin of Central American refugees in order to strengthen their capacity to provide the means and services necessary for the solution of the problem of refugees, returnees and displaced persons, in accordance with national development programmes;
