46/63. Information from Non-Self-Governing Territories transmitted under Article 73 *e* of the Charter of the United Nations

The General Assembly,

Having examined the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to the information from Non-Self-Governing Territories transmitted under Article 73 *e* of the Charter of the United Nations² and the action taken by the Special Committee in respect of that information,

Having also examined the report of the Secretary-General on the question,³

Recalling its resolution 1970 (XVIII) of 16 December 1963, in which it requested the Special Committee to study the information transmitted to the Secretary-General in accordance with Article 73 *e* of the Charter and to take such information fully into account in examining the situation with regard to the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in General Assembly resolution 1514 (XV) of 14 December 1960,

Recalling also its resolution 45/16 of 20 November 1990, in which it requested the Special Committee to con-

tinue to discharge the functions entrusted to it under resolution 1970 (XVIII),

Stressing the importance of timely transmission by the administering Powers of adequate information under Article 73 *e* of the Charter, in particular in relation to the preparation by the Secretariat of the working papers on the Territories concerned,

1. *Approves* the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to the information from Non-Self-Governing Territories transmitted under Article 73 *e* of the Charter of the United Nations;

2. *Reaffirms* that, in the absence of a decision by the General Assembly itself that a Non-Self-Governing Territory has attained a full measure of self-government in terms of Chapter XI of the Charter, the administering Power concerned should continue to transmit information under Article 73 *e* of the Charter with respect to that Territory;

3. *Requests* the administering Powers concerned to transmit or continue to transmit to the Secretary-General the information prescribed in Article 73 *e* of the Charter, as well as the fullest possible information on political and constitutional developments in the Territories concerned, within a maximum period of six months following the expiration of the administrative year in those Territories;

4. *Requests* the Secretary-General to continue to ensure that adequate information is drawn from all available published sources in connection with the preparation of the working papers relating to the Territories concerned;

5. *Requests* the Special Committee to continue to discharge the functions entrusted to it under General Assembly resolution 1970 (XVIII), in accordance with established procedures, and to report thereon to the Assembly at its forty-seventh session.

*68th plenary meeting
11 December 1991*

46/64. Activities of foreign economic and other interests which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples in Territories under colonial domination and efforts to eliminate colonialism, apartheid and racial discrimination in southern Africa

The General Assembly,

Having considered the item entitled "Activities of foreign economic and other interests which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples in Territories under colonial domination and efforts to eliminate colonialism, apartheid and racial discrimination in southern Africa",

Having examined the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to the item,⁴

Recalling its resolution 1514 (XV) of 14 December 1960, containing the Declaration on the Granting of Independence to Colonial Countries and Peoples, as well as all its other resolutions on this subject, including, in particular, resolution 43/47 of 22 November 1988, declaring the period 1990-2000 as the International Decade for the Eradication of Colonialism,

Reaffirming the solemn obligation of the administering Powers under the Charter of the United Nations to promote the political, economic, social and educational advancement of the inhabitants of the Territories under their administration and to protect the human and natural resources of those Territories against abuses,

Reaffirming also that those economic and other activities which impede the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples and obstruct efforts aimed at the elimination of colonialism, apartheid and racial discrimination in South Africa and in colonial Territories are in direct violation of the rights of the inhabitants and of the principles of the Charter and all relevant resolutions of the United Nations,

Seriously concerned about the activities of those foreign economic, financial and other interests which continue to exploit the natural resources that are the heritage of the indigenous populations of the colonial and Non-Self-Governing Territories in the Caribbean, the Pacific and other regions, as well as their human resources, to the detriment of their interests, thus depriving them of their right to control the resources of their Territories and impeding

the realization by those peoples of their legitimate aspirations for self-determination and independence,

Bearing in mind the relevant provisions of the final documents of the successive Conferences of Heads of State or Government of Non-Aligned Countries and of the resolutions adopted by the Assembly of Heads of State and Government of the Organization of African Unity,

Gravely concerned that certain countries, transnational corporations and international financial institutions have continued their economic relations with South Africa,

Recognizing the crucial and decisive role that the imposition of international sanctions has played in applying the necessary pressure on the South African regime to undertake significant measures towards the eradication of apartheid,

1. *Approves* the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to the item;⁴

2. *Reaffirms* the inalienable right of the peoples of colonial and Non-Self-Governing Territories to self-determination and independence and to the enjoyment of the natural resources of their Territories, as well as their right to dispose of those resources in their best interests;

3. *Reiterates* that any administering or occupying Power that deprives the colonial peoples of the exercise of their legitimate rights over their natural resources or subordinates the rights and interests of those peoples to foreign economic and financial interests violates the solemn obligations it has assumed under the Charter of the United Nations;

4. *Reaffirms* its concern over the activities of those foreign economic, financial and other interests which continue to exploit the natural resources that are the heritage of the indigenous populations of the colonial and Non-Self-Governing Territories in the Caribbean, the Pacific and other regions, as well as their human resources, to the detriment of their interests, thus depriving them of their right to control the resources of their Territories and impeding the realization by those peoples of their legitimate aspirations for self-determination and independence;

5. *Condemns* those activities of foreign economic and other interests in the colonial Territories which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in General Assembly resolution 1514 (XV), and the efforts to eliminate colonialism, apartheid and racial discrimination;

6. *Strongly condemns* the collaboration with the South African regime by certain countries as well as transnational corporations that continue to make new investments in South Africa and supply the racist regime with armaments, nuclear technology and all other materials that are likely to buttress it and thus aggravate the threat to world peace;

7. *Calls upon* all States to maintain the existing measures against the apartheid regime as specified in the Declaration on Apartheid and its Destructive Consequences in Southern Africa, annexed to General Assembly resolution S-16/1 of 14 December 1989;

8. *Calls once again upon* all Governments that have not yet done so to take, in accordance with the relevant provisions of General Assembly resolution 2621 (XXV) of
