

## 46/192. United Nations pension system

*The General Assembly,*

*Recalling* its resolutions 45/242 of 21 December 1990 and 45/268 of 28 June 1991,

*Having considered* the report of the United Nations Joint Staff Pension Board for 1991 to the General Assembly and to the member organizations of the United Nations Joint Staff Pension Fund,<sup>60</sup> chapter III of volume I of the report of the International Civil Service Commission,<sup>57</sup> the report of the Secretary-General on the investments of the Fund,<sup>61</sup> and the related report of the Advisory Committee on Administrative and Budgetary Questions,<sup>62</sup>

### I

#### ACTUARIAL SITUATION OF THE UNITED NATIONS JOINT STAFF PENSION FUND

*Recalling* section I of its resolution 44/199 of 21 December 1989, in which it approved measures to restore the actuarial balance of the United Nations Joint Staff Pension Fund over the long term,

1. *Takes note with satisfaction* of the significant reduction in the actuarial imbalance from 3.71 to 0.57 per cent of pensionable remuneration, reflected in the valuation of the United Nations Joint Staff Pension Fund as at 31 December 1990;

2. *Takes note* of the decision of the United Nations Joint Staff Pension Board to retain the current 6.5 per cent interest rate for lump-sum commutations and of its intention to review that rate in 1993, in the light of the results of the actuarial valuation of the Fund as at 31 December 1992;

3. *Takes note also* of the observations of the Board concerning the maximum number of years of creditable contributory service in the Fund, in paragraphs 40 to 53 of its report,<sup>60</sup> and of its intention to review this matter again in 1993 in the light of the results of the actuarial valuation of the Fund as at 31 December 1992;

### II

#### PENSIONABLE REMUNERATION AND PENSIONS OF STAFF IN THE GENERAL SERVICE AND RELATED CATEGORIES

*Recalling* that the Standing Committee of the United Nations Joint Staff Pension Board, acting on behalf of the Board, informed the General Assembly at its forty-third session, in paragraph 75 of the report of the Board,<sup>63</sup> of its conclusion that a comprehensive review of the methodology for determining the pensionable remuneration and consequent pensions of staff in the General Service and related categories should be undertaken,

*Also recalling* that in section III of its resolution 45/242, the General Assembly took note of the intention of the International Civil Service Commission to undertake in 1991, in full cooperation with the Board, such a comprehensive review and requested that recommendations thereon should be submitted to the General Assembly at its forty-sixth session,

*Noting* that the Commission and the Board considered a number of methodological alternatives, but had not found it possible to submit specific recommendations to the General Assembly at its current session,

*Taking note* of the divergent views reflected in the re-

ports of the Commission<sup>57</sup> and the Board,<sup>60</sup> on whether the current methodology gives rise to inconsistencies and problems and on the merits of the alternative methodologies examined,

*Appreciating* the complexities and the importance of the issues involved for all parties concerned, that is, staff, administrations and Member States,

*Noting* the positions in the Commission that the current arrangements have given rise to inconsistencies and anomalies and that therefore retention of the current methodology without change is not a viable option,

1. *Concurs* with the conclusions of the International Civil Service Commission and the United Nations Joint Staff Pension Board that further studies are required of possible alternative methodologies in order to determine the most equitable solution for all parties concerned, including in particular studies of the feasibility of determining pensionable remuneration and/or pensions by reference to the local practices of employers used in General Service salary surveys, of the use of the income replacement approach followed in determining the pensionable remuneration of staff in the Professional and higher categories, and of the use of local taxes to derive the pensionable remuneration from the net pensionable salaries;

2. *Endorses* the phased approach to the comprehensive review and the timetable for its completion set out in paragraph 84 of volume I of the report of the Commission;<sup>57</sup>

3. *Concurs* with the observation of the Advisory Committee on Administrative and Budgetary Questions, in paragraph 14 of its report,<sup>62</sup> that the recommendations of the Commission and the Board should aim to eliminate current anomalies in the system and that the further studies should be completed within the proposed time-frame;

4. *Requests* the Commission and the Board in their further studies to take into account the views expressed in the Fifth Committee, including in particular those related to the administrative and financial implications of determining pensions in accordance with local practices of employers used in the General Service salary surveys, and to the alternative of reflecting local conditions in the determination of the pensionable remuneration through the application of local tax rates to gross up net pensionable salaries;

### III

#### PENSIONABLE REMUNERATION AND PENSIONS OF UNGRADED OFFICIALS

*Recalling* section II of its resolution 45/242, in which it expressed the belief that a common system approach should be used for the determination of the pensionable remuneration and pensions of all participants in the United Nations Joint Staff Pension Fund, including ungraded officials,

*Having considered* the views of the International Civil Service Commission and the United Nations Joint Staff Pension Board on the methodology for determining the pensionable remuneration of ungraded officials, including the executive heads of member organizations who are participants in the Fund, as set out in paragraphs 51 to 71 of volume I of the report of the Commission,<sup>57</sup> and paragraphs 110 to 132 of the report of the Board,<sup>60</sup>

1. *Reiterates its concern* at the divergent practices that

have emerged since 1984 in respect of the pensionable remuneration of ungraded officials and in particular of the executive heads of member organizations who are participants in the United Nations Joint Staff Pension Fund;

2. *Concurs* with the observation of the Advisory Committee on Administrative and Budgetary Questions contained in paragraph 26 of its report,<sup>62</sup> that the methodology for determining the pensionable remuneration of ungraded officials should be considered with a view to eliminating the inconsistencies in the amounts of pensionable remuneration of certain of these officials;

3. *Endorses* the recommendations of the International Civil Service Commission that officials appointed or elected to ungraded posts who become participants in the Fund should have their pensionable remuneration determined in accordance with the methodology set out in paragraph 64 of volume I of the report of the Commission,<sup>57</sup> with the modification indicated in paragraph 66 thereof;

4. *Also endorses* the recommendation of the Commission that the pensionable remuneration of such officials should be adjusted between comprehensive reviews in accordance with the procedure applicable for adjustment of the scale of pensionable remuneration of staff in the Professional and higher categories, as set out in article 54 (b) of the Regulations of the Fund;

5. *Urges* the governing bodies of the other member organizations of the Fund to adopt the methodology and adjustment procedure recommended by the Commission for determining the pensionable remuneration of their ungraded officials who become participants in the Fund, and to inform the General Assembly, the Commission and the United Nations Joint Staff Pension Board of the action taken in this regard;

6. *Also urges* the governing bodies of the other member organizations of the Fund to review the current levels of pensionable remuneration of their ungraded officials who are participants in the Fund, with a view to eliminating the divergencies from the levels established on the basis of the above methodology, taking into account the need to protect acquired rights derived from earlier decisions by the governing bodies concerned;

7. *Requests* the Board to consider again, at its next regular session, amendments to the Regulations of the Fund to incorporate provisions governing the pensionable remuneration of ungraded officials and to extend the provisions placing a limit on the highest levels of pensions to cover all participants in the Fund, including ungraded officials, and to submit recommendations thereon to the General Assembly;

8. *Takes note* of the views of the Commission, as set out in paragraphs 70 and 71 of volume I of its report,<sup>57</sup> that, in the event that the governing body of a member organization decides that its elected officials should not be participants in the Fund, the alternative pension arrangements should be determined by that governing body, taking into account the terms of office and the desirability of establishing some comparability in the pension arrangements applicable to such officials;

9. *Requests* the Commission to recommend guidelines for determining the pension arrangements for ungraded officials who do not become participants in the Fund so as to ensure system-wide comparability, as well as appropri-

ate monitoring procedures, and to submit recommendations thereon to the General Assembly at its forty-seventh session and to the governing bodies of the other organizations of the United Nations common system;

#### IV

##### CHANGES IN THE PENSION ADJUSTMENT SYSTEM

*Recalling* its request, contained in section IV, paragraph 5, of its resolution 45/242 and reaffirmed in paragraph 5 of its resolution 45/268, that the United Nations Joint Staff Pension Board give priority to the development of a long-term approach to the determination of initial local currency pensions,

*Also recalling* section IV, paragraph 6, of its resolution 45/242 in which it invited the governing bodies of the other member organizations of the United Nations Joint Staff Pension Fund to refrain from seeking to establish additional pension entitlements for their staff, as well as paragraph 6 of its resolution 45/268, in which it reiterated that position,

1. *Takes note* of section III.F of the report of the United Nations Joint Staff Pension Board<sup>60</sup> on the pension adjustment system, in particular on the longer-term modifications of that system considered by the Board for determining the initial local currency pensions, in the light of the expiration on 31 March 1992 of the transitional measure approved by the General Assembly in its resolution 45/242;

2. *Also takes note* of the observations of the Board, in paragraphs 180 and 181 of its report, on the implications of the resolution adopted by the Administrative Council of the International Telecommunication Union on a pension purchasing power protection insurance plan for the staff of the Union;

3. *Approves* the longer-term modification of the pension adjustment system and its effective dates, as recommended by the Board in paragraphs 175 and 176 of its report, and the consequential changes in the pension adjustment system, as set out in annex I to the present resolution;

4. *Notes* the intention of the Board to monitor closely the actual costs of the modification of the pension adjustment system approved herein;

5. *Endorses* the views of the Advisory Committee on Administrative and Budgetary Questions, as set out in paragraphs 22 and 23 of its report,<sup>62</sup> that the Board should, on the basis of experience with the actual costs, determine whether any fine-tuning of the modification is warranted in order to limit the costs and that the guidelines set forth in General Assembly resolution 31/196 of 22 December 1976 should continue to be taken into account so as to ensure that changes in the pension adjustment system do not require increases in the financial liabilities of Member States;

6. *Requests* the Board at its next regular session to continue to consider economy measures, taking into account the views expressed in the Fifth Committee, and including in particular a change of the "120 per cent cap" provision under the two-track pension adjustment system given the increased protection provided by the modification of the system approved herein;

## Article 14

Replace the title and paragraph (a) by the following:

*"Report and audit*

## 46/193. Financing of the United Nations Disengagement Observer Force

*The General Assembly,*

*Having considered* the report of the Secretary-General on the financing of the United Nations Disengagement Observer Force,<sup>64</sup> and the related report of the Advisory Committee on Administrative and Budgetary Questions,<sup>65</sup>

*Bearing in mind* Security Council resolution 350 (1974) of 31 May 1974, by which the Council established the United Nations Disengagement Observer Force, and the subsequent resolutions by which the Council extended the mandate of the Force, the latest of which was Council resolution 722 (1991) of 29 November 1991,

*Recalling* its resolution 3211 B (XXIX) of 29 November 1974 on the financing of the United Nations Emergency Force and the United Nations Disengagement Observer Force and its subsequent resolutions thereon, the latest of which was resolution 45/243 of 21 December 1990,

*Reaffirming* its previous decisions regarding the fact that, in order to meet the expenditures caused by the United Nations Disengagement Observer Force, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

*Taking into account* the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such operations involving heavy expenditures,

*Bearing in mind* the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

*Having regard* to the financial position of the Special Account for the United Nations Emergency Force and the

United Nations Disengagement Observer Force, as set forth in the report of the Secretary-General, and referring to paragraphs 4 and 5 of the report of the Advisory Committee,

*Recognizing* that, as a consequence of the withholding of contributions by certain Member States, the surplus balances in the Special Account for the United Nations Emergency Force and the United Nations Disengagement Observer Force have, in effect, been drawn upon to supplement the income received from contributions for meeting expenses of the Forces,

*Mindful* of the fact that it is essential to provide the United Nations Disengagement Observer Force with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

1. *Decides* to appropriate to the Special Account referred to in section II, paragraph 1, of General Assembly resolution 3211 B (XXIX) the amount of 20,679,000 United States dollars gross (20,199,000 dollars net) authorized and apportioned in paragraph 8 of Assembly resolution 45/243 for the operation of the United Nations Disengagement Observer Force for the period from 1 June to 30 November 1991, inclusive;

2. *Decides also* to appropriate to the Special Account an amount of 21,384,000 dollars gross (20,835,000 dollars net) for the operation of the United Nations Disengagement Observer Force for the period from 1 December 1991 to 31 May 1992, inclusive;

3. *Decides further*, as an ad hoc arrangement, to apportion the amount of 21,384,000 dollars gross for the above-mentioned period among Member States in accordance with the composition of groups set out in paragraphs 3 and 4 of General Assembly resolution 43/232 of 1 March 1989, as adjusted by Assembly resolutions 44/192 B of 21 December 1989 and 45/243, the scale of assessments for the year 1991<sup>66</sup> to be applied against a portion thereof, that is, 3,564,000 dollars gross, which is the amount pertaining on a *pro rata* basis to the period ending 31 December 1991, and the scale of assessments for the year 1992<sup>15</sup> to be applied against the balance, that is, 17,820,000 dollars gross, for the period from 1 January to 31 May 1992, inclusive;

4. *Decides* that there shall be set off against the apportionment among Member States, as provided for in paragraph 3 above, their respective share in the estimated income of 7,500 dollars other than staff assessment income approved for the period from 1 December 1991 to 31 May 1992, inclusive; 1,250 dollars, being the amount pertaining on a *pro rata* basis to the period ending 31 December 1991, and the balance, that is, 6,250 dollars, for the period from 1 January to 31 May 1992, inclusive;

5. *Decides also* that, in accordance with the provisions of its resolution 973 (X) of 15 December 1955, there shall be set off against the apportionment among Member States, as provided for in paragraph 3 above, their respective share in the Tax Equalization Fund of the estimated staff assessment income of 541,500 dollars approved for the period from 1 December 1991 to 31 May 1992, inclusive; 90,250 dollars, being the amount pertaining on a *pro rata* basis to the period ending 31 December 1991, and the balance, that is, 451,250 dollars, for the period from 1 January to 31 May 1992, inclusive;

6. *Decides further* that the Democratic People's Republic of Korea shall be included in the group of Member States set out in paragraph 3 (c) of General Assembly reso-
