RESOLUTION ADOPTED BY THE GENERAL ASSEMBLY

[on the report of the Third Committee (A/51/612)]

51/68. Convention on the Elimination of All Forms of Discrimination against Women

The General Assembly,

Bearing in mind that one of the purposes of the United Nations, as stated in Articles 1 and 55 of the Charter, is to promote universal respect for human rights and fundamental freedoms for all without distinction of any kind, including distinction as to sex,

Affirming that women and men should participate equally in social, economic and political development, should contribute equally to such development and should share equally in improved conditions of life,

Recalling the Vienna Declaration and Programme of Action, adopted by the World Conference on Human Rights on 25 June 1993,¹ in which the Conference reaffirmed that the human rights of women and the girl child were an inalienable, integral and indivisible part of universal human rights,

Welcoming the growing number of States parties to the Convention on the Elimination of All Forms of Discrimination against Women,² which now stands at one hundred and fifty-four,

---

¹ A/CONF.157/24 (Part I), chap. III.
² Resolution 34/180, annex.
Having considered the reports of the Committee on the Elimination of Discrimination against Women on its fourteenth\(^3\) and fifteenth\(^4\) sessions,

Noting that the number of reports to the Committee has increased as a result of the growing number of States parties to the Convention and that the annual session of the Committee has been the shortest of all the annual sessions of the human rights treaty bodies, thus creating a considerable backlog of reports submitted but not considered,

1. **Urges** all States that have not yet ratified or acceded to the Convention on the Elimination of All Forms of Discrimination against Women to do so as soon as possible, so that universal ratification of the Convention can be achieved by the year 2000;

2. **Emphasizes** the importance of full compliance by States parties with their obligations under the Convention;

3. **Urges** States to limit the extent of any reservations they lodge to the Convention, to formulate any such reservations as precisely and as narrowly as possible, to ensure that no reservations are incompatible with the object and purpose of the Convention or otherwise incompatible with international treaty law, to review their reservations regularly with a view to withdrawing them and to withdraw reservations that are contrary to the object and purpose of the Convention or that are otherwise incompatible with international treaty law;

4. **Invites** States parties to the Convention to make all possible efforts to submit their reports on the implementation of the Convention in accordance with article 18 thereof and with the guidelines provided by the Committee on the Elimination of Discrimination against Women and to cooperate fully with the Committee in the presentation of their reports;

5. **Urges** States parties to the Convention to take appropriate measures so that acceptance of the amendment to article 20, paragraph 1, of the Convention by a two-thirds majority of States parties can be reached as soon as possible in order for the amendment to enter into force;

6. **Approves** the request made by the Committee and supported by the States parties to the Convention for additional meeting time so as to allow the Committee to hold two sessions annually, each of three weeks' duration, preceded by a pre-session working group, for an interim period starting in 1997;

8. \textbf{Decides} to authorize the Open-ended Working Group to meet for ten working days, in parallel with the Commission on the Status of Women at its forty-first session;

9. \textbf{Requests} the Secretary-General to submit to the General Assembly at its fifty-third session a report on the status of the Convention and the implementation of the present resolution.
