

3. *Invites* the Special Committee to examine, in the spirit of paragraphs 3 and 4 of Article 1 and of Article 55 of the Charter, the summaries and analyses of information transmitted under Article 73 e of the Charter on the economic, social and educational conditions in the Non-Self-Governing Territories, including any papers prepared by the specialized agencies and any reports or information on measures taken in pursuance of the resolutions adopted by the General Assembly concerning economic, social and educational conditions in the Non-Self-Governing Territories;

4. *Considers* that the Special Committee should meet in 1950, 1951 and 1952 before the opening of the regular sessions of the General Assembly, at places and dates to be determined by the Secretary-General, in order that it should conclude its work not later than one week before the opening of each session;

5. *Invites* the Special Committee to submit to the regular sessions of the General Assembly in 1950, 1951 and 1952 reports containing such procedural recommendations as it may deem fit and such substantive recommendations as it may deem desirable relating to functional fields generally but not with respect to individual Territories;

6. *Decides* that at its regular sessions in 1950 and 1951 the General Assembly will proceed to any new elections for the Special Committee that may be necessary, and examine in 1952 the question whether the Special Committee should be renewed for a further period, together with the questions of the composition and terms of reference of any such future Special Committee.

333 (IV). Work of the Special Committee on Information transmitted under Article 73 e of the Charter

The General Assembly,

Noting that resolution 332 (IV) adopted by the General Assembly on 2 December 1949 provided for the establishment of a Special Committee on Information transmitted under Article 73 e of the Charter for a three-year period without prejudice as to the future,

Considering that the value of the work of the Committee would be enhanced if, without prejudice to the annual consideration of all the functional fields enumerated in Article 73 e of the Charter, special attention were given to one field each year,

Noting that the Special Committee will have before it at its 1950 session a considerable volume of documentation on the subject of education including various reports from the United Nations Educational, Scientific and Cultural Organization,

Considering that information on the development of facilities for the training of the peoples of the Non-Self-Governing Territories deserves particular attention at a time when programmes of economic and social development are being extended or initiated,

1. *Invites* the Special Committee at its 1950 session, without prejudice to the consideration of the other two functional fields, to give special attention to the problems of education in the Non-Self-Governing Territories, with particular attention to development of training in the economic and social fields;

2. *Invites* members of the Special Committee to make special preparations in this field for the 1950 session, with a view to facilitating the constructive interchange of ideas and experience on such educational problems;

3. *Invites* the Secretary-General to consult with the United Nations Educational, Scientific and Cultural Organization and other specialized agencies in order to secure their collaboration in the study of these problems.

263rd plenary meeting,
2 December 1949.

334 (IV). Territories to which Chapter XI of the Charter applies

The General Assembly,

Having regard to the obligation to transmit information under Article 73 e of the Charter accepted by the Members which have or assume responsibilities for the administration of territories whose peoples have not yet attained a full measure of self-government,

Having regard to resolution 66 (I)¹⁵ adopted by the General Assembly on 14 December 1946 in which seventy-four territories were enumerated, in accordance with the declarations of the responsible Governments, as falling within the scope of Article 73 e,

Having noted the information supplied by certain Members concerning the constitutional changes which have led to the cessation of the transmission of information under Article 73 e in respect of certain territories which were enumerated in resolution 66 (I),

1. *Considers* that it is within the responsibility of the General Assembly to express its opinion on the principles which have guided or which may in future guide the Members concerned in enumerating the territories for which the obligation exists to transmit information under Article 73 e of the Charter;
