

Trustees of the United Nations International School⁸² and the report of the Advisory Committee on Administrative and Budgetary Questions on this subject,⁸³

Recalling its resolution 1439 (XIV) of 5 December 1959, by which the General Assembly decided to contribute to the International School Fund, for a period of five years, such continuing financial assistance as the Assembly might find necessary, and its subsequent resolutions 1591 (XV) of 20 December 1960, 1727 (XVI) of 20 December 1961 and 1853 (XVII) of 19 December 1962, by which it contributed grants to liquidate the operational deficit and to begin planning for the permanent accommodation of the School,

Noting the progress achieved in making the School available to a growing number of children of United Nations staff and the critical need for expanded and improved facilities,

Noting also the action taken by the Board of Trustees, with the assistance of the Secretary-General, in order to provide for a permanent building to house the International School, one of the purposes of which is to facilitate the recruitment and retention of qualified international staff,

1. *Decides* to contribute \$35,000 to the International School Fund for liquidating the operational deficit anticipated for the current school year, and an additional \$20,000 for the purpose of advancing plans for the permanent accommodation of the School;

2. *Requests* the Secretary-General to continue to lend his good offices to the Board of Trustees in seeking financial and other assistance from both governmental and private sources for the construction and equipment of an appropriate school building and the creation of an endowment fund;

3. *Appeals* to Governments of Member States to take such measures as they may consider necessary to ensure that voluntary contributions for the above purposes will be forthcoming at the earliest possible date from appropriate sources, governmental or non-governmental;

4. *Authorizes* the Secretary-General to accept and to administer on a hold-in-trust basis, within the International School Fund established pursuant to General Assembly resolution 1439 (XIV), such voluntary contributions as he may be offered for the foregoing purposes.

1285th plenary meeting,
17 December 1963.

1983 (XVIII). United Nations Emergency Force

The General Assembly,

Recalling its resolutions 1089 (XI) of 21 December 1956, 1090 (XI) of 27 February 1957, 1151 (XII) of 22 November 1957, 1337 (XIII) of 13 December 1958, 1441 (XIV) of 5 December 1959, 1575 (XV) of 20 December 1960, 1733 (XVI) of 20 December 1961, and 1874 (S-IV) and 1875 (S-IV) of 27 June 1963,

Having considered the reports of the Secretary-General on the cost estimates of the United Nations Emergency Force for the period 1 January to 31 December 1964⁸⁴ and the report of the Advisory Committee on Administrative and Budgetary Questions thereon,⁸⁵

Expressing the hope that this *ad hoc* assessment will be the last one to be presented to the General Assembly and that the Working Group on the Examination of the Administrative and Budgetary Procedures of the United Nations will be able to recommend to the Assembly, at the nineteenth session, a special method for the equitable sharing of the costs of peace-keeping operations involving heavy expenditures,

Taking into account that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards peace-keeping operations involving heavy expenditures,

1. *Decides* to continue the Special Account for the United Nations Emergency Force;

2. *Decides* to appropriate an amount of \$17,750,000 for the operations of the United Nations Emergency Force for 1964;

3. *Decides* to apportion:

(a) The amount of \$2 million among all Member States in accordance with the regular scale of assessments for 1964,

(b) The \$15,750,000 balance of the amount appropriated in paragraph 2 above among all Member States in accordance with the regular scale of assessments for 1964, except that each economically less developed country shall be assessed an amount calculated at 42.5 per cent of its rate under the regular scale of assessments for 1964,

provided that this apportionment shall constitute an *ad hoc* arrangement for the present phase of this peace-keeping operation and shall not constitute a precedent for the future;

4. *Decides* that, for the purpose of the present resolution, the term "economically less developed countries" shall mean all Member States except Australia, Austria, Belgium, the Byelorussian Soviet Socialist Republic, Canada, Czechoslovakia, Denmark, Finland, France, Hungary, Iceland, Ireland, Italy, Japan, Luxembourg, the Netherlands, New Zealand, Norway, Poland, Romania, South Africa, Sweden, the Ukrainian Soviet Socialist Republic, the Union of Soviet Socialist Republics, the United Kingdom of Great Britain and Northern Ireland and the United States of America;

5. *Recommends* that the Member States named in paragraph 4 above make voluntary contributions in addition to their assessments under the present resolution in order to finance authorized expenditures in excess of the total amount assessed under this resolution, such voluntary contributions to be credited to a special account by the Secretary-General and transferred to the Special Account for the United Nations Emergency Force as and when an economically less developed country has once paid to the credit of the latter account its assessment under paragraph 3 (b) above or an equal amount, the transfer to be of an amount which bears the same proportion to the total of such voluntary contributions as the amount of such payment bears to the total of the assessments on economically less developed countries under paragraph 3 (b); any amount left in such special account on 31 December 1966 shall revert to the Member States that made such voluntary contributions in proportion to their respective voluntary contributions;

6. *Appeals* to all other Member States which are in a position to assist to make similar voluntary contribu-

tions or, alternatively, to forgo having their assessments calculated at the rate mentioned in the exception contained in paragraph 3 (b) above;

7. *Decides* that the voluntary contributions referred to in paragraphs 5 and 6 above may be made by a Member State, at its option, in the form of services and supplies acceptable to the Secretary-General, furnished for use in connexion with the United Nations

Emergency Force during the period 1 January to 31 December 1964, for which the Member State does not require reimbursement, the Member State to be credited with the fair value thereof as agreed upon by the Member State and by the Secretary-General.
