**2516 (XXIV). Question of Korea**

*The General Assembly,*

*Having noted* the report of the United Nations Commission for the Unification and Rehabilitation of Korea, signed at Seoul, Korea, on 6 September 1969,<sup>1</sup>

*Reaffirming* its resolution 2466 (XXIII) of 20 December 1968 and its previous resolutions on the question of Korea noted therein,

<sup>1</sup> Official Records of the General Assembly, Twenty-fourth Session, Supplement No. 29 (A/7629 and Corr.1).

*Recognizing* that the continued division of Korea does not correspond to the wishes of the Korean people and constitutes a source of tension which prevents the full restoration of international peace and security in the area,

*Recalling* that the United Nations, under the Charter, is fully and rightfully empowered to take collective action to maintain peace and security and to extend its good offices in seeking a peaceful settlement in Korea in accordance with the purposes and principles of the Charter,

*Anxious* that progress be made towards creating conditions which would facilitate the reunification of Korea on the basis of the freely expressed will of the Korean people,

*Concerned* at reports of further events in Korea which, if continued, could hamper efforts to create the peaceful conditions which are one of the prerequisites of the establishment of a unified and independent Korea,

1. *Reaffirms* that the objectives of the United Nations in Korea are to bring about, by peaceful means, the establishment of a unified, independent and democratic Korea under a representative form of government, and the full restoration of international peace and security in the area;

2. *Expresses the belief* that arrangements should be made to achieve these objectives through genuinely free elections held in accordance with the relevant resolutions of the General Assembly;

3. *Calls* for co-operation in the easing of tensions in the area and, in particular, for the avoidance of incidents and activities in violation of the Armistice Agreement of 1953;

4. *Notes with approval* the efforts made by the United Nations Commission for the Unification and Rehabilitation of Korea, in pursuit of its mandate, to encourage the exercise of restraint and the easing of tensions in the area and to secure maximum support, assistance and co-operation in the realization of the peaceful reunification of Korea;

5. *Requests* the United Nations Commission for the Unification and Rehabilitation of Korea to pursue these and other efforts to achieve the objectives of the United Nations in Korea, to continue to carry out the tasks previously assigned to it by the General Assembly and to keep members of the Assembly informed on the situation in the area and on the results of these efforts through regular reports submitted to the Secretary-General, and to the General Assembly as appropriate;

6. *Notes* that the United Nations forces which were sent to Korea in accordance with United Nations resolutions have in greater part already been withdrawn, that the sole objective of the United Nations forces at present in Korea is to preserve the peace and security of the area, and that the Governments concerned are prepared to withdraw their remaining forces from Korea whenever such action is requested by the Republic of Korea or whenever the conditions for a lasting settlement formulated by the General Assembly have been fulfilled.

*1818th plenary meeting,  
25 November 1969.*

**2574 (XXIV). Question of the reservation exclusively for peaceful purposes of the sea-bed and the ocean floor, and the subsoil thereof, underlying the high seas beyond the limits of present national jurisdiction, and the use of their resources in the interests of mankind**

#### A

*The General Assembly,*

*Recalling* its resolutions 2340 (XXII) of 18 December 1967 and 2467 (XXIII) of 21 December 1968,

*Having regard* for the fact that the problems relating to the high seas, territorial waters, contiguous zones, the continental shelf, the superjacent waters, and the sea-bed and ocean floor beyond the limits of national jurisdiction, are closely linked together,

*Considering* that the definition of the continental shelf contained in the Convention on the Continental Shelf of 29 April 1958<sup>2</sup> does not define with sufficient precision the limits of the area over which a coastal State exercises sovereign rights for the purpose of exploration and exploitation of natural resources, and that customary international law on the subject is inconclusive,

*Noting* that developing technology is making the entire sea-bed and ocean floor progressively accessible and exploitable for scientific, economic, military and other purposes,

*Affirming* that there exists an area of the sea-bed and ocean floor and the subsoil thereof which lies beyond the limits of national jurisdiction,

*Affirming further* that this area should be used exclusively for peaceful purposes and its resources utilized for the benefit of all mankind,

*Convinced* of the urgent necessity of preserving this area from encroachment, or appropriation by any State, inconsistent with the common interest of mankind,

*Noting* that the establishment of an equitable international régime for this area would facilitate the task of determining the limits of the area to which that régime is to apply,

*Noting further* the continuing efforts of the Committee on the Peaceful Uses of the Sea-Bed and the Ocean Floor beyond the Limits of National Jurisdiction to elaborate such a régime in accordance with paragraph 2 (a) of resolution 2467 A (XXIII),

1. *Requests* the Secretary-General to ascertain the views of Member States on the desirability of convening at an early date a conference on the law of the sea to review the régimes of the high seas, the continental shelf, the territorial sea and contiguous zone, fishing and conservation of the living resources of the high seas, particularly in order to arrive at a clear, precise and internationally accepted definition of the area of the sea-bed and ocean floor which lies beyond the limits of national jurisdiction, in the light of the international régime to be established for that area;

2. *Requests* the Secretary-General to report on the results of his consultations to the General Assembly at its twenty-fifth session.

*1833rd plenary meeting,  
15 December 1969.*
