

3063 (XXVIII). Effects of atomic radiation

The General Assembly,

Recalling its resolution 913 (X) of 3 December 1955, by which it established the United Nations Scientific Committee on the Effects of Atomic Radiation, and its subsequent resolutions,

Recalling in particular paragraph 4 of its resolution 2905 (XXVII) of 17 October 1972,

Noting with regret that nuclear tests in the atmosphere and in other environments have been conducted since the adoption of resolution 2905 (XXVII) and resolution 2934 (XXVII) of 29 November 1972,

Convinced of the advisability of continuing to review the levels of atomic radiation, particularly of radiation resulting from uncontrolled sources such as nuclear tests, and to study the effects on populations and living natural resources exposed to such radiation,

Convinced of the need to enhance the effectiveness of the Scientific Committee,

1. Requests the United Nations Scientific Committee on the Effects of Atomic Radiation to meet as soon as possible in order to make a study of the most recent documents which have been or may shortly be transmitted to the Secretariat and to update, with a view to their resubmission to the General Assembly at its current session, the conclusions contained in its last report,² for which the Assembly again commends the Scientific Committee;

2. Decides to consider, at an early date, the means of enhancing the effectiveness of the Scientific Committee.

The General Assembly,

Recalling its resolution 2963 A (XXVII) of 13 December 1972 and all previous resolutions referred to therein, including resolution 194 (III) of 11 December 1948,

Taking note of the annual report of the Commissioner-General of the United Nations Relief and Works Agency for Palestine Refugees in the Near East, covering the period from 1 July 1972 to 30 June 1973,⁴

1. Notes with deep regret that repatriation or compensation of the refugees as provided for in paragraph 11 of General Assembly resolution 194 (III) has not been effected, that no substantial progress has been made in the programme endorsed by the General Assembly in paragraph 2 of resolution 513 (VI) of 26 January 1952 for the reintegration of refugees either by repatriation or resettlement and that, therefore, the situation of the refugees continues to be a matter of serious concern;

2. Expresses its thanks to the Commissioner-General and to the staff of the United Nations Relief and Works Agency for Palestine Refugees in the Near East for their continued faithful efforts to provide essential services for the Palestine refugees, and to the specialized agencies and private organizations for their valuable work in assisting the refugees;

3. Notes with regret that the United Nations Conciliation Commission for Palestine has been unable to find a means of achieving progress in the implementation of paragraph 11 of General Assembly resolution 194 (III) and requests the Commission to exert continued efforts towards the implementation thereof and to report thereon as appropriate, but no later than 1 October 1974;

4. Directs attention to the continuing critical financial position of the United Nations Relief and Works Agency for Palestine Refugees in the Near East, as outlined in the Commissioner-General's report;

5. Notes with concern that, despite the commendable and successful efforts of the Commissioner-General to collect additional contributions to help relieve the serious budget deficit of the past year, contributions to the United Nations Relief and Works Agency for Palestine Refugees in the Near East continue to fall short of the funds needed to cover essential budget requirements;

6. Calls upon all Governments as a matter of urgency to make the most generous efforts possible to meet the anticipated needs of the United Nations Relief and Works Agency for Palestine Refugees in the Near East, particularly in the light of the budgetary deficit
