The General Assembly,

Recalling its resolutions 2626 (XXV) of 24 October 1970 containing the International Development Strategy for the Second United Nations Development Decade, and 3201 (S-VI) and 3202 (S-VI) of 1 May 1974 containing the Declaration and the Programme of Action on the Establishment of a New International Economic Order,

Recalling further its resolution 3362 (S-VII) of 16 September 1975 on development and international economic co-operation in which it, *inter alia*, called for an increased, predictable, continuous and increasingly assured flow of concessional financial resources for development on more favourable terms and conditions,

Recalling further its resolutions 3489 (XXX) of 12 December 1975 on the acceleration of the transfer of real resources to developing countries and 31/174 of 21 December 1976 on ways and means of accelerating the transfer of real resources to developing countries on a predictable, continuous and increasingly assured basis,

Bearing in mind Trade and Development Board resolution 150 (XVI) of 23 October 1976 on the transfer of real resources to developing countries,¹⁴²

Concerned that in some instances the flow of official development assistance has declined in real terms,

Welcoming the commitment expressed by developed countries at the Conference on International Economic Co-operation to increase substantially and effectively their official development assistance flows,¹⁴³

Recognizing that assistance from developed countries constitutes an indispensable complement to the internal efforts of developing countries,

1. *Takes note* of the report of the Secretary-General¹⁴⁴ submitted in response to General Assembly resolution 31/174;

2. *Calls upon* the developed countries to implement the agreed provisions regarding the volume and terms of flows of real resources to developing countries contained in Trade and Development Board resolution 150 (XVI);

3. *Urges* developed countries to increase substantially and effectively their official development assistance, in accordance with the commitments made at the Conference on International Economic Co-operation, within the framework of an equitable sharing of their

efforts and pursuant to the agreement of the General Assembly at its seventh special session and the International Development Strategy for the Second United Nations Development Decade, which envisage the attainment of the 0.7 per cent official development assistance target by the end of the Decade, having in mind the form in which agreement was reached;

4. *Further urges* developed countries to implement the commitments made at the Conference on International Economic Co-operation aimed at increasing their flows of official development assistance on both a bilateral and multilateral basis and at improving the terms of official development assistance flows in accordance with methods to be determined by each developed donor country and, in this regard, reiterates the following suggestions, made at the Conference on International Economic Co-operation to increase official development assistance flows:

(a) To augment annually their official development assistance budgets by a specific percentage on a multi-year basis;

(b) To set aside at least 1 per cent of their annual gross national product increase expected to accrue to be devoted to augment official development assistance flows;

(c) To include aid volume targets in their economic planning;

(d) To undertake long-range planning of aid budgets;

5. *Requests* developed countries to take the appropriate measures to increase their flows of concessional development finance on a more continuous and predictable basis, bearing in mind the measures set out in the report of the Secretary-General;¹⁴⁴

6. *Requests* the Secretary-General of the United Nations Conference on Trade and Development to consider the question of the transfer of real resources to developing countries with due priority and to submit a progress report, together with comments of the Trade and Development Board, to the General Assembly at its thirty-third session;

7. *Requests* the Secretary-General to review progress in the implementation of the present resolution and to report thereon to the General Assembly at its thirty-third session under the item entitled "Acceleration of the transfer of real resources to developing countries".
