The General Assembly,

Mindful of its resolution 31/187 of 21 December 1976, in which it expressed deep concern at the serious economic and social situation in Sao Tome and Principe as a result of the total lack of infrastructure for development,

Recalling its resolution 31/156 of 21 December 1976, in which it urged all Governments, in particular those of the developed countries, to lend their support, in the context of their assistance programmes, for the implementation of the specific action envisaged in favour of developing island countries within the framework of their development plans and priorities,

Noting that the appeal made in resolution 31/187 for assistance to Sao Tome and Principe thus far has not met with the desired response,

Having noted the report of the Committee for Development Planning, in which the Committee decided to examine³⁷ at its fourteenth session the question of the inclusion of Sao Tome and Principe in the list of the least developed countries,³⁸ on the basis of more recent and more detailed information,

1. *Renews* the appeal made in its resolution 31/187;

2. *Requests* the Secretary-General:

(a) To continue his efforts for the mobilization of the financial, technical and economic assistance of the international community, in particular of the developed countries and the appropriate organizations within the United Nations system, with a view to meeting the short-term and long-term needs of Sao Tome and Principe;
