

**35/155. Conclusion of an international convention to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons**

*The General Assembly,*

*Bearing in mind* the need to allay the legitimate concern of the States of the world with regard to ensuring lasting security for their peoples,

*Convinced* that nuclear weapons pose the greatest threat to mankind and to the survival of civilization,

*Deeply concerned* at the continuing escalation of the arms race, in particular the nuclear arms race, and the possibility of the use or threat of use of nuclear weapons,

*Convinced* that nuclear disarmament and the complete elimination of nuclear weapons are essential to remove the danger of nuclear war,

*Taking into account* the principle of the non-use of force or threat of force enshrined in the Charter of the United Nations,

*Deeply concerned* about any possibility of the use or threat of use of nuclear weapons,

*Recognizing* that the independence, territorial integrity and sovereignty of non-nuclear-weapon States need to be safeguarded against the use or threat of use of nuclear weapons,

*Considering* that, until nuclear disarmament is achieved on a universal basis, it is imperative for the international community to develop effective measures to ensure the security of non-nuclear-weapon States against the use or threat of use of nuclear weapons from any quarter,

*Recognizing* that effective measures to assure the non-nuclear-weapon States against the use or threat of use of nuclear weapons can constitute a positive contribution to the prevention of the spread of nuclear weapons,

*Recalling* its resolution 3261 G (XXIX) of 9 December 1974,

*Further recalling* its resolution 31/189 C of 21 December 1976,

*Bearing in mind* paragraph 59 of the Final Document of the Tenth Special Session of the General Assembly,<sup>57</sup> in which it urged the nuclear-weapon States to conclude, as appropriate, effective arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons,

*Desirous* of promoting the implementation of the relevant provisions of the Final Document,

*Recalling* its resolution 33/72 of 14 December 1978,

*Further recalling* its resolution 34/85 of 11 December 1979,

*Welcoming* the in-depth negotiations undertaken in the Committee on Disarmament and its *Ad Hoc* Working Group with a view to reaching agreement on consideration of the item entitled "Effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons",

*Noting* the drafts of an international convention submitted under that item in the Committee on Disarmament in 1979,

*Further noting* the report of the Committee on Disarmament, including the report of the *Ad Hoc* Working Group,<sup>58</sup>

*Noting* the decision of the Sixth Conference of Heads of State or Government of Non-Aligned Countries, held

at Havana from 3 to 9 September 1979, as well as the relevant recommendations of the Eleventh Islamic Conference of Foreign Ministers, held at Islamabad from 17 to 22 May 1980, calling on the Committee on Disarmament to elaborate and reach an agreement on an international basis to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons,

*Further noting* the general support expressed in the Committee on Disarmament and in the General Assembly for the elaboration of an international convention to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons,

1. *Reaffirms* the urgent need to reach agreement on effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons;

2. *Notes with satisfaction* that in the Committee on Disarmament there is no objection, in principle, to the idea of an international convention to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons, although there has been lack of progress in the Committee towards evolving a common approach acceptable to all;

3. *Appeals* to all States, in particular the nuclear-weapon States, to demonstrate the political will necessary to reach agreement on a common approach which could be included in an international instrument of a legally binding character;

4. *Recommends* that the Committee on Disarmament should actively continue negotiations with a view to reaching agreement and concluding effective international arrangements during its next session to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons, taking into account the widespread support for the conclusion of an international convention and giving consideration to any other proposals designed to secure the same objective;

5. *Decides* to include in the provisional agenda of its thirty-sixth session an item entitled "Conclusion of effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons".
